

### Local Nine's Game Loss 6-1 To El Monte

Torrance 6-1. Although held to nung streak was brought to a halt by El Monte Sunday at Torrance 6-1. Although held to six hits by O'Reagan, El Monte was able to punch three hits with two walks and an error to score five runs in the fourth inning, and added another in the fifth.

From the fifth on, O'Reagan pitched sensationally, retiring the last 15 men to face him without allowing a man to reach first. It was a case of "too little with too late" as his mates were able to produce but a single run off the slants of 16-year-old Dykes. TAC's only threat came in the sixth inning, trailing 6-0. Torrance loaded the bases with one out by virtue of successive singles by O'Reagan, Cottle and Vaughn and an error on a fly by Weeds to push across their only tally. However, Dykes proved his mettle by fanning Bill Johnson and Harold Jackson to end the threat.

Don Cottle and Bill Johnson again sparked the TAC nine, getting four of their team's eight hits and handling 10 fielding chances, without a bobble. They also threw in another last double play for good measure. This fine second base and short stop combination have come up with eight double plays in the last five games.

Next Sunday TAC will entertain the Pacific Pipe Line team. This is an all-colored ball team and one of the best. The well known Jonas Myles, who has twice beaten the great "Satchel" Paige, will be on the mound for the Pipe Liners.

There should be considerable rivalry between these two teams, as Clair Ausmus, manager of the local team, was captain of his team when they were the All Nations Cardinals. Game time 2:15 p.m.

### Scout Court Of Honor Here Friday Night

The Harbor District of the Boy Scouts of America are holding their court of honor at 7:45 tomorrow evening at the Torrance Civic Auditorium. This court of honor is being put on by members of Boy Scout Troop 241 of Torrance, and will feature their newly formed close order drill team.

Courts of honor are a regular part of the scouting program. It is at these functions that the Scouts receive all awards won in the past few months. These awards may vary from advancement in rank to camping citations.

The opening ceremony will also be presented by the drill team and will feature a very impressive candlelight ceremony composed of the 12 parts of the Scout law. The public is, as in all Scouting activities, cordially invited.

### All Year Club's Advertising Is Rated the Best

Community advertising by the All-Year Club of Southern California in 1944 has been adjudged the best in the United States by the American Newspaper Publishers Association's bureau of advertising and featured in its annual Blue Book.

In another classification, the All-Year Club's newspaper and magazine advertising were listed among the top 65 of thousands of entries. Ross Welch, chairman of the club's advertising committee, was informed.

Last year's campaign told in feature style the story of a "playground at war." It was based on intensive research into how the area's individual resources have been thrown into the nation's drive to win the war.

Each printed message emphasized that while Southern California was too busy to welcome tourists, its varied and individual assets are still here and will be enjoyed again when victory is a reality.

"The campaign was highly successful," Welch said. "It inspired a tremendous volume of inquiries, indicating great interest in what the area was doing and curiosity as to how soon visitors could come to Southern California."

"This year's campaign is even more successful. Since January 1 we have been receiving an average of 1924 inquiries a week or 825 a day. They originate in every state of the union, in Canada and Mexico and in 52 other foreign countries and dependencies."
