So much depends upon what your child sees and how he sees it! If letters run together before his eyes, learning will be scrambled... progress slow. Don't let poor vision handicap your child.

Rev. Penner Is Called for Three Years

Rev. W. A. Penner who has pastored the Torrance Church of the Nazarene for more than seven years has been unanimously given an extended call of three years. Remarkable progress has been accomplished under the leadership of Rev. Penner with an increase from 20 to a record attendance of 220 in the Sunday School at the present time.

For several years the church services were held in the parsonage located in Hamerton Tract. Two years ago a small church building was moved to the present church location at 1501 W. Carson. As a result of the present over-crowded building, plans are now under way to build in the near future a new church edifice to provide adequate room for present and future needs.

This week the Southern California District Assembly is in session at Pasadena. Those representing the Torrance church are Rev. Penner, pastor; Mrs. Penner, W.F.M.S., president, and Mrs. Agnes Foster, Sunday school superintendent. Mrs. Agnes Wagner and Mrs. Myrtle Gull will also serve as delegate and alternate respectively.

Reverend and Mrs. Penner both are active in the religious work of the city, Rev. Penner being president of the Torrance Ministerial Association and Mrs. Penner, president of the Women's Christian Temperance Union of Torrance.

C. B. MITCHELL... Who has operated the Standard Oil station on the corner of Cabrillo and Carson for the last ten years, announced this week his appointment as the Chevron Gas station for the Torrance district. With this announcement he has redecorated his station with a new color scheme and added a number of innovations in service to please his old and new friends. Mitchell will continue to feature Standard gasolines and lubricants, Atlas tires and batteries along with other products and the service which has made this station so popular with motorists during the past ten years.
