VICTORY CHEST WORKERS INVADE FIELD AS ANNUAL DRIVE UNDERTAKEN HERE

Torrance, Lomita and Harbor City Victory Chest campaigners, observing the official kickoff, are invading the residential areas today, armed with work kits and an enthusiastic belief in the importance of Chest giving. Their objective is a goal of \$41,000 for Torrance and \$2,700 for the Lomita-Harbor City Chest.

In Torrance George L. Johnson is campaign leader and J. P. Hameetman serves in this capacity for the Lomita-Harbor City area.

Johnson's top aides are James L. Lynch, vice chairman in charge of establishments; Hillman R. Lee, colonel in Division 255 which combines both business and residential; Rev. B. H. Lingensfelder, colonel, who has supervision of the entire residential solicitation. Rev. Paul Moore Wheeler, chairman of the speakers' bureau, combines this task with the position of major in Division 255. Reed H. Parklin is co-chairman of the speakers' group.

Distribution of all leaflets, placards and other campaign literature was performed by Morris T. Bewley, Scout executive for this area and his troops.

Chairman Hameetman's immediate assistants are Frank D. Howell, who combines the task of assistant chairman with that of head of the speakers' bureau. His assistant in the latter capacity is Mrs. Linden Johnson. Other top leaders are Mesdames E. C. Kuhns, N. F. La Porte, Max Schatz and Retta Nelson.

This phase of giving is being brought to the attention of

housewives, who are urged to make a personal gift in addition to any made by husbands at their places of business. For convenience, solicitors will offer pledge cards which will make it possible to spread the gift over several weeks or months.

Fund raising in these two communities will be for the purpose of providing support for the 140 agencies of the Los Angeles Area Victory Chest with which the two communities are affiliated.

Direct benefit to citizens comes through the Torrance Service Center where representatives of many agencies are established to meet health and welfare needs of everyone. The Center moved recently from 1400 Cravens avenue to 1339 Post avenue. During the past two years that the Center has been open it has been demonstrated how cooperation, mutual helpfulness and planning can contribute to the common good. Chest gifts make it possible.

In their appeal for funds local people remember the needs of armies of occupation, service men in hospitals and camps, merchant seamen and needy allies.

In addition to local instruction meetings, a radio round table kickoff program will take place tonight over Station KMPC from 9:15 to 10, when Preston Hotchkis, general campaign chairman and other top leaders will participate.
