**FINE MEATS BECOME MORE TENDER IN SAFEWAY'S HUGE AGING ROOMS**

SAFEWAY GUARANTEED MEATS ARE PERFECTED LIKE THOSE FOR FINE HOTELS & RESTAURANTS

IT IS NOT ENOUGH that Safeway buys only the top government grades of meat. The Safeway plan of perfecting meat for market calls for each cut to remain the correct number of days in huge aging rooms at our Central Meat Plant. Here, temperature and humidity are carefully controlled to retain full juiciness in the meats while they achieve peak tenderness and flavor. This is the same process of natural meat aging that is used by fine hotels and restaurants.

When they reach perfection, the meats are rushed to Safeway markets in refrigerated trucks. After excess bone and fat have been removed by our famous waste-free cutting method, the GUARANTEED MEATS are offered for sale... every cut guaranteed to please you, or your money cheerfully refunded.
