## Learn Effective Backing for Peace

Men training to take over the occupation of Japan must learn to shoot straight to back up their commands if necessary. Therefore particular emphasis is placed on the knowledge of firearms at the Civil Affairs Staging Area military government school in Monterey, Calif., where firing skill is concentrated on the use of 45-caliber submachine guns. These men firing prone in the early morning Monterey fog are learning to hit the bullseye despite poor visibility.

The secret heart is devotion's temple; there the saint lights the flame of purest sacrifice, which burns unseen but not unaccepted.

True zeal is a strong, steady, uniform, benevolent affection; but false zeal is a strong, desultory, boisterous, selfish passion.

Hannah Moore

## Jack O'Lanterns And Witches At Halloween Party

A soft light emanating from pumpkins, paper jack-o-lanterns and behind the corn-stocks, together with a witch, who insisted on all guests jumping over her broom-stick as they entered, made up a perfect setting for a Halloween party Saturday night at the home of Mr. and Mrs. Ernest Garcelon, 259th pl. Co-hostesses with Mr. and Mrs. Garcelon were Mr. and Mrs. L. L. Nichols of San Pedro.

Hilarious games occupied the attention of the group during the evening, and, as the midnight hour came, the guests wished Mrs. Nichols a happy birthday, and presented her with potted shrubs for her new home as well as personal gifts and a birthday cake. Arriving late were Mr. and Mrs. Darrell Milton, who were celebrating their thirteenth wedding anniversary, and they were also presented with anniversary gifts.

Twenty-five guests who included Cpl. Bill Wolverton, U. S. Army; Mrs. Myrtle Milton, Mrs. Joane Phipps, Mrs. Irene Howe and Miss Margie Woodruff, Bob Roberts, Wm. # EXCESS BONE AND FAT ARE CUT OFF SAFEWAY MEATS BEFORE WEIGHING

**Waste-Free Cutting Method Saves Your Money on Every Meat Purchase**

**SAFEWAY** gives you more tender meat, pound for pound, because every piece of Safeway meat is cut a better, more selective way. At our Central Meat Plant, experts carve meat into perfect large pieces, remove excess bone and waste. From these bulk cuts, skilled meat cutters at Safeway markets slice chops, steaks and roasts of the exact thickness you prefer. Waste fat and bone are removed before your purchase is weighed.

But that isn't all we do to bring you finer meat. To begin with, Safeway buys just the top grades of beef, lamb, pork and veal. These are properly aged to develop utmost tenderness and flavor. No wonder Safeway guarantees you tender, juicy meats every time—or your money back.
