

NOW add this to your nest egg!

It's the NEW \$200 Victory Bond

HERE IT IS—a brand new Victory Bond issued in honor of Franklin Delano Roosevelt and the Victory he helped us win.

Take a good look at it. Examine it carefully. Then consider what it can mean to you—what it will mean to our returning wounded.

To you it's the safest investment in the world. It's a private mint of your own that's working day and night—24 hours a day—turning every \$3 you invested in "E" Bonds into \$4 for you alone!

And to our more than 300,000 wounded it's a ticket to recovery, health, rehabilitation. Your buying this \$200 Roosevelt Victory Bond will help pay for a hospital ship, \$4,500,000; a hospital plane, \$110,000; supplies for a thousand-bed hospital, \$177,500.

It's patriotic, it's generous, it's good business sense to add it to your nest egg. And it costs only \$150.00.

Think of the wounded who need your help. Yes—think of your own future, too. Buy your Roosevelt Victory Bond today.
