

Christmas Seal Sales Important To All Citizens

The success or failure of the annual Christmas Seal sale is of vital importance to every citizen in our community," Dr. Leland Hawkins, president of the Los Angeles County Tuberculosis and Health Association stated in commenting on the slowness with which Christmas Seal returns are being made to the Association's office at 117 W. Ninth st.

Funds received through the annual sale of Christmas Seals, Hawkins pointed out, are used on a year round program which includes free chest x-rays for workers in business and industrial plants and establishments, for tuberculin testing in schools, and in educating the general public on the causes and prevention of the disease, through the use of films, pamphlets, recordings, etc.

"Returns are not coming in as they should," he said, "and unless there is decided increase during the next two weeks our fight against tuberculosis during the coming year will have to be seriously curtailed. We cannot afford to let this happen. I urge everyone who has not done so to purchase Christmas Seals and use them."

Booths and self sellers have been placed in 58 towns throughout the county to assist those who did not get seals in the mail to get them in person. Seals may also be obtained through the Association's office at 117 W. Ninth st. or by calling TRINITY 0381.

Sugar Stamp 39 Good Jan. 1

The OPA has announced that Sugar Stamp 39 will become valid Jan. 1 for consumers and that industrial users will receive about the same allotments in the first three months of 1946 as they are now getting.

The new stamp, good for five pounds, will remain valid through April 30, while Sugar Stamp 38 expires Dec. 31.

The Golden Text is from Psalm: "The Lord shall preserve thee from all evil: he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore." A reading from the Acts records that "There sat in a window a certain young man named Eutychus, being fallen into a deep sleep, as Paul was long preaching, he sunk down with sleep, and fell down from the third loft, and was taken up dead. And Paul went down, and fell on him, and embraced him, and said, Trouble not yourself; for his life is in him. . . . I brought the young man here, and he is not a little converted."

Science and Health with Key Scriptures: Mary Baker Eddy. "Accidents are unknown to God, or immortal Mind, and we must leave the mortal basis of belief and unite with the one Mind, in order to change the notion of chance to the proper sense of God's unerring direction and thus bring out harmony."

Propose Use Of Health Centers For Hospitals

County supervisors adopted a motion by Supervisor Leonard J. Reach ordering the county health officer to explore the possibilities of using County Health Centers in Torrance and elsewhere for emergency hospitals.

The plan contemplates leasing quarters in the health centers to private physicians or hospitals. The supervisor said that since these centers are located strategically throughout the county, this new plan should greatly alleviate the suffering caused by long waits following automobile accidents. The procedure would involve no expense to taxpayers.

Welfare Council Cooperates In Drive To Supply Christmas Gifts To Needy

The Welfare Council of Metropolitan Los Angeles is cooperating with other social agencies throughout the city and with the city Social Service Bureau in their annual attempt to supply Christmas gifts and services to families, children in homes, club groups and institutions.

All requests for, and offers of, aid will be cleared through the Christmas Clearing Bureau, maintained annually by the Social Service Department to avoid duplication of gifts.

Leaders in charge of the plan have released lists of gifts and services suitable, as well as names of agencies which are co-operating by serving as information centers.

According to the list, families most appreciate plans such as gifts orders or checks so that they may have the pleasure of choosing gifts to be given their children. The Bureau also recommends that families be kept together at Christmas, rather than separated by invitations.

Old people, or people alone

may be given equipment for hobbies, gift orders, magazine subscriptions, or tickets for lectures or concerts, while people in institutions prefer personal attentions such as sweaters, ties, pipes, and cigarettes for men; slippers, hose, cosmetics or candy for women; and all kinds of new clothing, games, toys, books, hobby equipment or candy for children in homes.

Christmas parties, planned with the children, and held in familiar surroundings, are also good.

Emergency requests for Christmas aid should be referred to the Salvation Army or the Volunteers of America if the family is Protestant, or to the Catholic Welfare Bureau or the parish priest for Catholic families.

Information may be obtained at the Torrance Service Center.

God is able to meet the need of all and fulfill every desire; it is just a question of your hunger for righteousness.
