

A Very MERRY CHRISTMAS

If it were at all possible, we would see each of you personally, clasp your hand in a friendly sort of way, and say, "Merry Christmas!" At the same time, we would express our sincere thanks for all past favors, and invite your continued patronage on the basis of our genuine interest in your welfare and our desire to be of every service possible to you during the coming year.

We are sorry we cannot see each of you individually — and we want to convey, through this message, our heartfelt appreciation of your friendships and to wish you all the joys of the Christmas Season.

Nothing To Do About Japanese Residents—Jain

The City of Torrance can do nothing about the Japanese residents of the Waleria area except to see that building, zoning and health regulations are fulfilled, City Engineer G. M. Jain said Tuesday night following the reading of a letter from Waleria Civic Association complaining about the occupancy of the Japanese church there by three Japanese families. "We are fortunate that we have so few here," Jain said.
