The Golden Text of the Sunday Lesson—Sermon on "Mind" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from the Psalms: "Teach me, O Lord, the way of thy statutes; . . . Give me understanding, and I shall keep thy law." A Scriptural selection from the Psalms reads, "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth. He gathered the waters of the sea together as an heap; he layeth up the depth in storehouses. Let all the earth fear the Lord: let all the inhabitants of the world stand in awe of him. For he spake, and it stood fast. . . . The counsel of the Lord standeth forever, the thoughts of his heart to all generations."

"Mind is the grand creator, and there can be no power except that which is derived from Mind," writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." Again she says, "Ether is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected."

Appointment of Harold Shapiro as acting regional director for the CIO Shipbuilding Workers union, has been announced by the regional office of the union. Director Shapiro is a member of the union's big San Pedro Local 9 and a former worker at the Los Angeles (now Todd) shipyard.

He has just returned to start his new duties from a lengthy stay in Washington, D.C., where he took part in the national shipbuilding wage conference. Ratification of his appointment, expected shortly from the union's national office in Camden, N.J., will remove the "acting" from his title.

A former chief shop steward, business agent, and labor relations director for Shipbuilding Workers Local 9 in San Pedro, Shapiro has been active in the union's affairs since more than five years ago.
