Overseas Vets' Wives Need Full Notary Power

Wives of servicemen still overseas were warned today by Collector of Internal Revenue Harry C. Westover that they must have notarized power of attorney to sign their husbands' names to 1946 federal income tax returns. Without such power of attorney, no person is permitted to sign a tax return for another. Unfortunately, no exception can be made for members of the armed forces, Westover said.

If she actually received \$1200, or more, last year, the wife of a serviceman overseas is required to file a return by the regular due date of March 15. She may file her own separate return declaring one-half of the total community income and taking credit for one-half of the total withholdings, or she may file a joint return provided she has the proper power of attorney. Those who file separate returns have the right to change to joint returns when their husbands return from overseas.

Those members of the armed forces outside the continental limits of the United States whose wives do not file joint returns for them must file not later than the 15th day of the sixth month after they reach these shores, Westover declared.

St. Andrew's To Aid Foreign Building Fund

The next four months the congregation of St. Andrew's Episcopal church will participate in the national fund raising of the Episcopal Church to be used to rebuild war damaged missionary stations, hospitals, and schools. The fund to be known as Reconstruction and Advance, will total over \$8,000,000. St. Andrew's share is \$675.

The Vestry of St. Andrew's voted unanimously to accept its share of the national and diocesan quotas.

The monies raised will be used in China, the Philippine Islands, Liberia, our own southland and in the local diocese. During the Lenten period the various missionary fields will be studied by the Church school children.

St. Cecilia's Guild under its president, Fan Wilkes, will take an active leadership in the local church drive.

Part of the national fund will be presented to the World Council of Churches, to be used by them in rebuilding destroyed protestant churches of Europe.

General chairman of the local group will be the Senior Warden of the Vestry Wallace Post. St. L. Rice, will act as the fund's treasurer. It is hoped that the local amount will be raised long before the four months period expires.
