Gala St. Patrick's Dancing Party Is Set For Tonight

Plans have been completed for a gala St. Patrick's dance to be held tonight in Torrance Civic Auditorium. This dance, sponsored by the Nativity Catholic Church, will honor returned service men and is open to the public. The proceeds will be a benefit for the church.

Carrying out a St. Patrick's color theme, Mrs. Myrtle McManis, assisted by Mrs. Veronica Tepper, has fashioned special decorations for the occasion. Green paper party hats, to be distributed to the early comers, will augment the decorative theme. However, due to the paper scarcity, only a limited number of hats is available, according to the committee in charge of arrangements.

Music for dancing will be furnished by Dick Richards and his piece orchestra. During intermission at 9:30 o'clock a short program of favorite Irish selections will be presented by well-known singers. Even those who do not dance are promised an enjoyable evening.
