Bringing to a Focus Good Cheer

When a jackass thinks he has horse sense, keep him tied.

Goodness thinks no ill where no ill seems.

Teacher's favorite pupil comes to class equipped with eyes that see the blackboard clearly, help him grasp his lessons quickly. Keep his eyes (yours too!) keen and comfortable by taking advantage of the skills and services of Dr. G. E. Cosgrove, Ophthalmologist, 185 S. Pacific, Redondo 6046.

Our thanks to Mrs. N. K. Rummel, 406 S. Lucia, for sending us this one:

For folks to lie about their friends
Is nasty and uncouth;
And yet—it might be ten times worse
If they should tell the truth.
