## Apperson To Highlight Bowl Fight Card

Bobby Apperson, former all-around athlete at St. Anthony's High in Long Beach, who received his Army discharge papers from Fort MacArthur early this week, will square off against Angel Chavez in the four-round main event of the amateur fight show at the Wilmington Bowl tomorrow night. The pair fought one of the greatest two-fisted, slam-bang bouts of the season at the Bowl two weeks ago, and only Uncle Sam's orders for Apperson to appear for his "diploma" kept the boys off the canvas last week in a much-requested rematch.

First preliminary will begin at 8:30 p.m.

Marshall Nance, former favorite at Camp Ross, who is just back from the Golden Gloves tournament at Chicago, will square off against Bill Warrior in a rematch of the overweight middleweight brawl of last week which had a crowd of more than 2000 in stitches. Nance barely eked out a nod.

Others who are expected to appear on the card, which looms as one of the most colorful of the season, will be Bruce Boughner, the Long Beach Poly High football star of last fall, who fought last week's main event; Bobby Corkhill of Compton College; Albert da (S Mo:yn)oadn leg; Albert (Sandy) Sandoval of Wilmington; Speedy Rose, the San Pedro sailor, and others.

## TAL Again Beats L.A. Colored Athletics Here

TAL's double header Sunday turned out to a single game, but the large crowd at the city park got its fill of excitement as the Torrance boys downed the L. A. Athletics 13 to 3.

Andrews went six innings for the LAA's to allow 10 hits and eight runs. Smith (alias Kingfish) tried to stop the attack by sending Sheffield to the mound in the seventh inning but was clipped for four hits and five runs.

Sammy Snyder on the mound seven innings for the home nine, chalked up his fourth straight win. Sammy was in hot water during the first three innings walking four men and hitting another with a pitched ball, allowing the Athletics to a 2 to 0 lead.

In the third inning Snyder found his range to sit the visiting club down in order, until relieved by Bobby McNeil in the seventh, who went the rest of the way yielding two hits and one run.

Green, left fielder for the LAA's, pulled three of the most spectacular plays in baseball with running dives, and one handed catches and robbed the local nine of many good hits.

TAL's onslaught was piloted by Don Cottle and Harold Jackson, who took all batting honors. On four singles, Don Cottle drove in three runs, while collecting four hits out of five tries. H. Jackson, on three doubles, drove in eight runs to collect three doubles for four tries at the plate.

TAL—14 hits, 13 runs, and no errors. Bat.—Snyder, McNeil, Hicks.

LAA—7 hits, 3 runs, and one error. Bat.—Andrews, Sheffield, Smith.

### VETERANS GOING TO SCHOOL CAN RIDE HALF FARE

Veterans of Torrance who are going to schools in Los Angeles may ride the Torrance bus lines for half fare, as a result of action of the City Council Tuesday night.

The council authorized Bus Manager C. Z. Ward to sell half fare tickets to the veterans going to training courses, thus putting them on the same basis with other students.

"With, or without an Orchid to friend or foe, I'll Tee an opinion wherever it may go"

**FOOZEL** . . . Little Gus Muehler, who recently signed with the Little Rock ball club of the Southern Association is said to be headed to Albuquerque, N.M., a Hollywood farm. Muehler, it will be remembered by many fans hereabout, is perhaps the top catcher to come out of these parts, which raises our skeptical eyebrow regarding this transfer from an "AA" league to a Hollywood farm.

The St. Louis Browns and the Cardinals both lined up with the Little Rock club a few weeks ago for the services of the former TAL and Gardena Browns catcher with Little Rock offering the most gold. A sizable bonus was guaranteed Gus, providing he stuck with the team.

After a few workouts with Little Rock, on a three dollar per day expense account for room and board, the club has

decided to ship Muehler to Albuquerque.

"Of course there is nothing wrong with this maneuver providing Gus wasn't doing his job, but information received from the Little Rock pitchers is to the contrary!"

We have a letter on our desk indicating that, "Gus is being given a raw deal and the only reason they're sending him down is because he has a good contract calling for a bonus."

Our informant is a former St. Louis Browns pitcher, who rates Gus as tops in the Association there.

What we haven't yet figured out is: How can a club buy high, then railroad a player to a one-acre farm without losing money? We have an idea, but it may be an inverted view involving a manager that grabs a player on a high bid and retains him for nothing.

Maybe some of our readers can explain this.

Perhaps the Arkansas gentleman who signed the "Gus" has a better explanation.

## Limit Catch Is Reported From Lake Henshaw

Gordon Northington, Torrance fireman who recently returned from the service, is back in the groove again, according to Ike McTee, local service station operator who accompanied Northington back to his favorite haunt last Friday at Lake Henshaw.

Ike reports Gordon caught the limit on crappie and bass shortly after casting his fly rod in the dam waters, but the fireman said he was not the only lucky fisherman casting in the lake and cited repeated catches made by others during the day.
