Social Affairs

Fuchsia Society Reports Recent Events Meeting

South Bay Branch of the Southern California Fuchsia Society met recently in the First Methodist Church, Redondo Beach. Fuchsia lovers who failed to attend this meeting missed a great treat. The speaker for the evening was Merrill Teoney of Long Beach, first vice-president of the Grand Council of Fuchsia Societies and president of the Long Beach Branch. According to him anyone can grow things in the sun but it takes someone who knows his business to grow things in the shade also that is the reason that so many gardeners fail to have anything growing on the north side of their homes. He feels that the society is doing a lot of good by teaching people how to grow plants in the shade and how to grow the acid loving plants, for to him the really beautiful flowers are the ones requiring shade.

Installation of officers will be held on May 8 at the home of Mrs. A. C. Stamps, 20706 Shearer ave. Mrs. John Beale, a new comer to the district, was a club guest.
