In Olympic Pool**

Hollywood will turn its magic production talents to a water spectacle when the world premiere of "Aqua Follies" is held in Los Angeles at the Olympic Swim Stadium on July 10.

The "Aqua Follies" show, a Crosby production, will be sponsored by the Los Angeles Junior Chamber of Commerce, and will be presented for a two-week run.

Production is under direction of Larry Crosby and his staff, with costuming, sets, decorations, lighting being arranged by a corps of skillful experts translating their studio production talents to the medium of water.

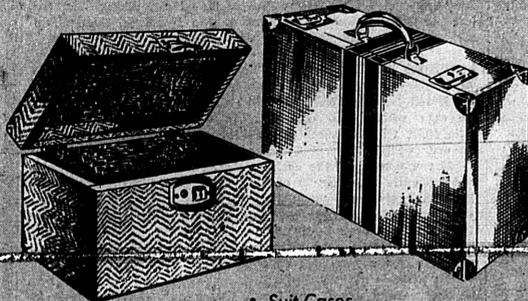

Opening of the show will be a regular Hollywood "premiere," with motion picture stars, sports personalities, and society and civic luminaries witnessing the first performance.
