Bradley's armies in the European Theatre of Operations and during fighting at St. Lo, France, was taken prisoner by the Germans and held for seven months. He was reported missing in action but was later rescued. Law now resides in Detroit, Mich., with his wife and daughter.

"Our Heart goes with it!"

Yessir! You have the key to our town — and to our hearts. In our small way we shared with you war's hardships. Now we want to share a happy, secure future — with you living, working and playing among us.

**MULLIN'S SERVICE**

"Oldsmobile"

1133 Border — Torrance

These men did their job—and WHAT a job. For them the fighting's over and now they are settling down in civilian life as quickly as possible.

And we who welcome them, realize that America needs plenty of the type of men who brought us our greatest Victories.

Working side by side with our returning veterans we cannot fail to achieve the good things of life that the years ahead can bring.

We cannot, we must not fail!
