

Col. McLean Installs New Supply System

LT. Col. Michael T. McLean arrived here enroute for a three-day AAF Supply confer-

ence held in San Bernardino July 29, 30 and 31. Colonel McLean has standardized supply procedure for the A.A.F. and is now conducting a series of conferences to assist in initiating the installation of the procedure at air bases all over the world.

The San Bernardino conference was attended by representatives from Tokyo, the Philippines and Okinawa as well as by National Guard supply officers from Southern California and all western states. Now attached to the office of Chief of Air Staff 4, Headquarters, AAF, Washington, D.C., Col. McLean was graduated from Torrance high school with the class of summer 1927, and he attended Long Beach Junior College and U.C.L.A. A Torrance visitor during his stay, he spent a few days with his family in Los Angeles before leaving for similar conferences at key points throughout the nation.

Walteria Cub Pack Conducts Paper Drive

During a recent meeting of the Walteria Cub Pack No. 240-C, sponsored by the Walteria P.T.A. conducted in the home of committee chairman Earl Gipe, plans were discussed for forthcoming Cub Pack activities during the month of August. The Cubs are conducting a paper drive for their part in the fund raising campaign.

Walteria residents are urged by the organization that in the event they are missed by the busy little cubs during this drive, to contact Assistant Cub Master, A. Bates, at the Bates Feed Store in that district, or George Thatcher, Cub Master. The Pack is planning a trip to the Griffith Park Planetarium in a few weeks, Thatcher said. Date for the trip will be set at the Aug. 15 meeting.
