### TORRANCE CHURCHWOMEN TO PROVIDE NEEDS OF PATIENTS AT HARBOR GEN. HOSP.

Stimulated by the needs of patients at the Harbor General Hospital, representative church women of Torrance have met together several times recently to organize effective work in the new county institution. Encouraged by Superintendent J. E. Smits, plans are going forward for holiday treats, gifts and decorations for all the wards. The women of each church are accepting responsibility for one ward, and it is anticipated that this "adoption" will become a permanent arrangement.

Although the county provides medical care for its patients, the "extras" which can help keep these chronic patients contented may not always be provided at county expense. At this point the church women hope to render a significant service. Some of the needs as outlined by Smits are: good current magazines and good books; "comfort" articles, such as shaving creams and tooth paste, talcum, cosmetics, paper hankers; instruction in handicrafts, and handcraft supplies; bedside

### P.T.A.-Sponsored Milk Bowl Game Set For Dec. 7

When P.T.A. members, their families and friends attend the big Tenth District P.T.A. "Milk Bowl" Carnival and Football game on Saturday, December 7, at Pearl Harbor, they will not only get some grand entertainment and a lot of family fun, they will at the same time and at no extra cost be helping underprivileged children of the entire Los Angeles City schools area to health, to needed warm lunches, and to body-building milk.

Tickets may be procured from local Parent-Teacher presidents.

Says a typically enthusiastic Tenth District leader, "Let's all go! Of course the Coliseum, scene of the great event, is an enormous 'Milk Bowl,' but let's fill it to overflowing. Let's buy 'oceans' of milk, 'mountains' of food, and a clean bill of good health for the children—plus a gala good time for ourselves and everyone else attending."
