Fred M. Haut accompanied the bride to the altar and gave her in marriage. Attractively attired in a turquoise dressmaker suit with black accessories, the bride carried Talisman roses on a white prayer book.

Mrs. Haut, as her matron of honor, wore beige with rose accessories. John Hall was the bridegroom's attendant.

The bride, who arrived here Oct. 25 aboard the Queen Elizabeth from her home in Chester, England, has been a house guest of Mr. and Mrs. Fred M. Haut, of Gardena. She met her husband upon a previous visit in Southern California about 15 years ago.

A small reception followed at a Manhattan Beach restaurant and subsequently Mr. and Mrs. Spaulding left for a short honeymoon. Upon their return they will live at 24443 Madison ave., Walteria.

Club Juniors Report Interesting Meetings; Other Activities

Members of the Torrance Junior Women's club enjoyed an informal potluck supper preceding the monthly business meeting on Tuesday evening. The tables were beautifully decorated by Mrs. E. E. Wilson, Mrs. Regis C. Jones and Mrs. C. H. Bennett. Arrangements for the supper were in charge of Mrs. Ray H. Sleppy. Other hostesses of the evening who assisted Mrs. Sleppy were Mmes. Carl Quayle, Von M. Bergen, Burton Lamb, Albert Coast, D. E. Eubank, R. T. Baughan, John Ritchie and Carl E. Lamping.

Immediately after supper, the group was addressed by Dr. Don C. Moshos, who spoke on the importance of finding evidence of tuberculosis in its early stages. In conjunction with his talk, Dr. Moshos showed a film that explained the work of the Tuberculosis Association and pictured the fast cure for patients who discover symptoms of the disease at an early stage.

The mobile unit of the Tuberculosis Association will be in Torrance for approximately two weeks beginning Jan. 13, and that day has been designated as Junior Woman's Day. Between the hours of 2 and 4 p.m., and 7 and 9 p.m., members of the club and their families are urged to take advantage of the free X-ray service afforded by the unit.

At the business meeting which followed, it was voted to give \$100 toward the float being sponsored by the 20-30 club for the Tournament of Roses parade.

George Figueredo showed the group a design of the intended float and explained that its reality could only come about with the cooperation of all groups in the city.

A vote was also taken to buy gifts for the T.B. ward of the Harbor branch of the General Hospital at Christmas time.

The women were happy to welcome six new members into the club. Those introduced were the Misses Joanne Banks, Louise Robbins, Dorothy Sandstrom and Mmes. Dick Plank, H. B. Lewis and R. S. Sleeth Jr.

A small group of Juniors attended the recent District Conference and reciprocity meeting at the South Pasadena Woman's club. Vocal selections were rendered by Chester Ullian, of Monrovia. An excellent address was given by Mrs. Wm. C. Hammer, director of consumer relations department for the Celanese Corporation of America. Her subject was "Romance of Modern Fabrics." Mrs. Hammer displayed samples of materials and explained the processes that were used in their making.

Following a short business meeting, guests were served tea and coffee. Those attending from Torrance were Mesdames M. J. Sahli, H. L. Wagner and H. P. Jensen.
