

Tarbabes Lose To Mighty Papoose

By TONY VAN KRALINGEN
Scoring in every quarter, Gardenas high and mighty small fry virtually cinched the 1946 Bee Football championship, as they massacred Torrance's Tarbabes in a humiliating 24-0 win before a small crowd of shivering fans.

Raul Hernandez, Mohican right half, scored three times to boost his touchdown total to fourteen for the season, making him definitely the high scorer for the Marine circuit.

In the third quarter, with the Papooses leading 12-0 and the game still a tossup, the Tarbabes put on an inspired attack which threw the Indians for three straight losses on attempted passes. On last down Gardena kicked and raced down to recover a Tarbabe fumble.

The Tartars started a frenzied sky attack late in the fourth stanza, which carried them to

BULLDOGS VS. BOMBERS

Led by Les (Lefty) Peregoy, star of San Diego's great team when the Bombers were cleaning up Pacific Coast Pro League competition, the strong Sacramento Nuggets will invade Gilmore Stadium Sunday (Dec. 15) for a battle with the powerful Los Angeles Bulldogs.

SEAHAWKS LOSE 34-27

Redondo Beach high school's Seahawks last week lost 34-27 to th Long Beach Poly cagers on the Poly hardwood. The Redondo Juniors, following in their seniors' tracks, also were dumped by the L. B. B's 29-23.

STRIPERS

Striped bass fishing is reported to be good in Sacramento River near Rio Vista. Also some nice bass are being taken from Miner Slough, near Rio Vista.

The Indian five. With only seconds to play, the tired and beaten locals still battled vainly with all their strength to score in the championship game.

Oilers Spank L.A. Police; Play Burbank Sunday

Torrance Signal Oilers managed to win their sixth tilt of the Triple-A Winter league by defeating Los Angeles Police 8-4 Sunday in Torrance park.

The Oilers, with eight singles, tallied eight runs with the help of 11 Police errors. The Police on the other hand earned four runs off nine hits. The Police, hampered by sickness which was swept through their roster like a house fire, showed up with only nine players, who were required to play off-positions in order to make it a ball game.

The players' unfamiliarity with their positions was plainly marked by Signal Joe Stephens' home run off a single into right field. The Police right fielder, Hood, let the ball roll between his legs and finally juggled it for a perfect toss to second baseman Lingua, who threw wide to Manager Penny on third, which enabled Stephens to continue his base running home.

Next Sunday the Oilers meet Burbank Merchants at 2 p. m., in Torrance park. Burbank is in

third place position with the Traveling clubs.

Tartars Blank Mohicans 16-0; Set Stage For Pirate Tilt Today

By BILL TOLSON

Striking through the air and on the ground, the powerful Tartars pounded their way to a 16-0 rout of the Gardena Mohicans, in Friday's grid fracas on the losers' field.

The Tartars struck almost immediately following a fumble on the first kick off, after recovering a Mohican muff on the Torrance 35-yard line.

In six plays Ralph George pitched a perfect strike to Right End Jack Hood, who took it on the dead run and raced down the side line to score. The play was good for 53 yards.

The half ended with the score, Torrance 7, Gardena 0.

Early in the fourth quarter, Leroy Schwenk blocked a Gardena pass in the Mohican end zone giving Torrance a safety and two points. Six plays later George smashed 21 yards over right tackle to score.

Leroy added his second conversion, making the score 16-0. The Tartars used almost everyone on the squad, with all hands playing good hard ball. The Tartar forward wall smashed the Mohican line to ribbons. The end spots, manned by Leroy Schwenk, Jack Hood, Bill Wood and Pat McGarry, played great ball all the way. This was Wood's first game since the first Narbonne meet.

Jay Stroh and Gene Stirling (the man with the silver handle) played a great game as usual. Dick Mallin and Dominick Donatoni, who man the Torrance guard spots, hardly let the Gardena backs get started.

Ed Forth and Milton Long starred in the pivot spot. Bud Smith, Darrel Comstock and Bob Turner played a great defensive game in the backfield.

Turner showed that he could run, when he returned a punt 31 yards to the Gardena 34-yard line.

Ralph George, Bill Morgar and Don Hartel carried the full weight of the Tartar offense

Gauchos Finish Season Badly With 32-0 Loss

By DICK FRIEND

San Pedro's powerful Pirates eleven took revenge of the six-point loss handed them several weeks ago by the Narbonne footballers by defeating the latter 32 to 0 on the Pirates field last Thursday.

The Gauchos held the Pirates down to six points in the first half, but the San Pedro team ran wild in the third and fourth quarters, running up 26 points.

Four minutes after the opening of the second quarter San Pedro's right halfback, Anthony Matulich dashed around left end from the Narbonne 17 for the first score. George Barich's kick was wide and the Pirates led 6-0.

As the third period began, Fullback Barich charged through the center of the line for the second score and started the San Pedro ball rolling. Again the kick was wide.

On the second play following the kick-off, Gaucho quarterback Wes Christian attempted a pass to end Duane Parsons. San Pedro intercepted and raced back to the Narbonne 37 before they were stopped. Once again the San Pedro power house opened up. Fullback High packed the ball around left end for the third tally. Barich made the kick putting the Pirates out in front 19 points.

San Pedro again scored in the opening minutes of the fourth period.

The Narbonne team, who tried every play in the book attempting to stop the championship-bound squad, were hampered by the injuries they received in their last game. Halfback Bill Biller was unable to play during the entire fracas. Wes Christian, Gaucho passing ace, was held down due to a leg injury received during the Gardena meet. Christian played very little during the game.

The Gauchos, trying hard to hit pay dirt, fumbled on their own 30-yard stripe. The Pirates drove to the Gauchos 3 and were penalized 15 yards. From the 18, Quarterback Nicholson tossed the pigskin to High, who ran up six more points. Mosich kicked the extra point and the game ended 32-0.

Cheer up, boys, and better luck next year!

Local Meat Markets CLOSED BY STRIKE Over Monday Closing

THIS IS A DANGEROUS DEMAND

The demand of Butchers' Union No. 551 that all local meat counters close on Mondays is dangerous and should be opposed by all the people in this area.

Market employers are willing to negotiate proper wages and hours. We have offered greatly increased pay and a shorter, 40-hour 5-day work week. But the union insists upon the right to control the days of the business week.

The only reason local meat counters are closed today is because the union insists on the power to say:

"No Meat May Be Bought or Sold on Mondays"

This demand is an effort by the union to take upon itself the power to control the days these meat counters may serve you.

If the union is allowed the power to say that YOU CANNOT BUY MEAT ON MONDAY, they will be able to select a day or days on which they can close down any business REGARDLESS OF PUBLIC INTEREST OR NECESSITY.

Closing of this area's meat counters by the union is directly CONTRARY TO PUBLIC HEALTH, PUBLIC INTEREST AND THE CONVENIENCE OF THE COMMUNITY.

Market owners insist upon the right to operate all six days of the business week. We do not object to our butchers HAVING A FIVE-DAY, 40-HOUR WEEK. But the public wants and should have six-day service.

We want to keep our meat counters open six days in your interest. We are prepared to hire additional butchers or to pay overtime rates to provide six days service to you.

Employers Have Offered a 5-Day Work Week With Increased Pay

During the past year the wage rate for journeyman butchers has been \$60 for a 48-hour work week (\$1.25 per hour)—an 80% increase over hourly rates paid in 1941.

In a sincere effort to negotiate a new, workable contract, market operators have offered \$66 pay for a 5-day, 40-hour work week (\$1.65 per hour) with time and a half (\$2.47½ per hour) for all hours worked over 40.

This is an increase of 32% over wage rates in the 1945-46 contract which expired last week. Six other Southern California Butchers' Unions (covering Redondo Beach, Inglewood, South Gate, Whittier, Los Angeles and all cities west and north to San Luis Obispo) accepted this offer last month and are now receiving the higher wages and are keeping the meat markets open 6 days a week.

We Will Reopen as Soon as the Union Abandons its Dictatorial Demand for Monday Closing
