**Torrance Plan To Cut Living Costs  
Advanced By Merchants Of City**

Forecasting the inception of a plan which may spread throughout the nation, the project committee of the newly organized Retail Business division of the Torrance Chamber of Commerce announced yesterday the "Torrance Plan to Cut the Cost of Living."

Realizing that economic conditions bred by war are no longer with us and that if action is going to be taken to cut living costs it must begin somewhere, the committee formulated a four-point program which will be placed into effect in every store in Torrance within the next few weeks.

The plan itself is simple. Its need is so vital here in Torrance as well as throughout the nation, that there was little question among observers here.

Little Rosemarie Chavez celebrated her fourth birthday last week. A pinata was put up and broken, with candies and fruit falling out. It was a very happy party and many of her friends attended.

There was some excitement in Pueblo Sunday when two airplanes landed behind the St. Joseph church. It seems the airplanes just landed for a few minutes and took off again, but just the same it was sure exciting.

The happy couple, to be married April 20 here, were chosen by vote of the studio audience as the best among four contending couples and pronounced "Cupid's Couple" for the week.

Prizes awarded to them were: a pressure cooker, a waffle iron, six sheets, six Tiffin goblets, six Tiffin sherbet glasses, a washing machine, a five-piece chrome dinette set, one woman's and one man's Veri-thin Gruen wrist watch, a set of King Edward silverware, wedding and engagement rings, four pairs of 51 gauge nylons, a year's supply of Plectswet (the sponsor) peas and corn, and a week's luncheon at Corona Del Mar with all expenses paid.

The pair met in 1943 and were formally engaged Oct. 25, 1944, before McIntier went overseas. Both attended Torrance high school, Miss Mitchell graduating with the summer class of 1944 and McIntier attending before he entered the service in 1941. He served four years with the Army, one year stationed on Guam.

Competing with the popular couple were Peggy Ryan, film actress, and Jimmy Cross, actor.

It seems I wasn't the only one ill last week. Mrs. Della Molinar and Mrs. Jenny Oloque had the flu. Mrs. Anita Robledo had an eye operation last week, but is doing fine now.

The stork is doing mighty fine in Pueblo since last week. First, Mrs. Antonia Roque was blessed with a baby girl. Then Mrs. Julia Alvarez Tharra, also a baby girl, and Mrs. Irene Hermenegildo, a baby boy. If this baby situation keeps up, Pueblo will have a pretty good population in the near future.
