"Pobation after Death" will be the Sunday Lesson Sermon subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from I Corinthians: "If in this life only, we have hope in Christ, we are of all men most miserable. But now in Christ risen from the dead, and become the first fruits of them that sleep."

A selection from Mark's Gospel states that "when Jesus was risen early the first day of the week, he appeared first to Mary Magdalena. . . After that he appeared in another form unto two of them, as they walked, and went into the country." Luke's record adds, that "they rose up the same hour, and returned to Jerusalem, and found the eleven gathered together, . . . And they told what things were done in the way, and how he was known of them in breaking of bread: And as they thus spoke, Jesus himself stood in the midst of them, and saith unto them, Peace be unto you."

Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave. Jesus was 'the way' that is, he marked the way for all men."
