**Seek \$10,000 For Rose Parade Float**  
 Torrance 20-30 club is going after a "sweepstakes" prize in the Pasadena Tournament of Roses parade on New Year's day, and plans to raise \$10,000 for the Torrance float entry.  
 This was revealed as the City Council Tuesday night was asked to give \$1500 to the project.  
 Torrance last year won second prize in its division, Class 4-A, and spent but \$2,500.

**Los Angeles Will Move Bungalows To Perry School**  
 Two bungalows will be moved from Gardena to the Perry school within the next week, Superintendent J. H. Hull announced this week.  
 The bungalow previously claimed by Los Angeles and taken from Torrance elementary, were awarded Torrance following court action, and the Los Angeles School district was ordered to return them. Inasmuch as Perry needed the bungalows more than Torrance elementary, the School Board, largely through the efforts of its legal advisor, Sam Pritchard, reached an agreement with Los Angeles to move the buildings to Perry.  
 Providing that any extra cost incurred in moving the bungalows to Perry instead of Torrance will be borne by the Torrance School Board, the arrangement was approved by the Board at its regular meeting Tuesday.

**Torrance High School Library Readied For Fall**  
 Furnished with the latest type oak tables and chairs, the Torrance High School library awaits only books before being ready for returning students.  
 Already several hundred basic reference and supplementary textbooks have been received for the library.  
 Fresh coats of paint and general cleaning have given the large room a new appearance. Book shelves have arrived and will be installed soon.  
 Work is progressing throughout the school as new drinking fountains and custodial supplies have been received. Classrooms now are furnished with new combination desk chairs and teachers desks have also been added.

**Reason For Unification Campaign Of Schools Related By Superintendent**  
 In a statement backing the program of the Torrance City Board of Education in carrying out the wishes of the people of Torrance in unification of all schools of the City of Torrance, Superintendent J. H. Hull yesterday said that the campaign is just to "finish the job."  
 In adoption of the City Charter on Aug. 20, 1946, the people were told that the original Torrance City School district could include only the elementary schools for the first year of operation.  
 In accordance with state law, an election was held on Jan. 24 to pick the high school district to which Torrance City School district shall belong for the first year, pending organization of the Torrance Unified School District. Voters selected Redondo over Los Angeles by a vote of 10 to 1.  
 Now, having started operation of the elementary district, the voters can elect to unify all schools under one Board of Education. This is the purpose of
