The Monday night's Industrial Handicap League has developed into a battle between the Comets and the Tigers with the Comets holding a one game lead.

Longren Aircraft was the victim of the Tigers who rolled a 845-2468 set to cop three, while the Comet Painting and Decorating five grabbed three from Chicago Bridge and Iron with a very nice 886-2529 triple.

Pacific Perforating took the odd game from Dominguez Rotary to go into a third place tie with the Moose Lodge team. Valet Cleaners cleaned the Lodge crew for two points. Although the C.B. & I. team dropped the games, their 814-2258 was good for third team honors for the evening.

Ray Comerski lead the individual scoring with a 218-202-595. Joe Comerski 218-575; Bud Thatcher 211-557; Nick Comerski 199-557; Gil Bennett 179-518 and Ray Morris 177-515.

Brown and Stewart still top the 8:45 handicap after turning back the Dawson File quint for three points. Paul's Chevrolet nipped Ady's Texaco for two to hold a three-point margin over the Torrance Termite who won all three from Lowery Furniture. The Torrance Kiwanis crew stopped Meese Auto to the tune of two games.

J. Elton's 190-549 proved the best for a series count but Al Pawluk's 219 topped the single. Bill Schnoor's 211-512 was not very far behind. Gene Chambers 193-503, R. Curry 173-495, H. Arnold 147-441 and E. Plummer 178-505. H. Oursler takes the prize for improving 165-166-167. Brown and Stewart's 835-885-728 (2498) scores as the team honors—very nice indeed.

YARBROUGH TO TAKE SECOND CRACK AT BOWLING TITLE

"Short" Yarbrough, owner-manager of the Torrance Bowl, left yesterday for Chicago where he will take a second crack at the World's Bowling Championship during the National All-Star Tournament Dec. 11-19.

Winning 25 games out of 33 in round-robin finals of the Southeast District and Long Beach Association, the local kegger won the right to be among the 163 contestants for the title. "Short" had an average in the finals of 200 plus 19 pins. In the qualifying round he clipped them down for a 204 average during the 60 game round.

"I'm going back with the sole thought in mind of placing among the top 16—the money winners, but I'll consider myself lucky if I finish in the top 30," Yarbrough said Tuesday.

Last year "Short" was handicapped with a cold and sore throat during the bowling "World Series" and finished in 110th place.

"With the experience I gained in the tournament last year and with additional experience I have gained in other matches since then, I think I can considerably improve upon the mark I made last year," he said.

Traveling with "Short" to Chicago is Frank Haynes who finished 14th last year. The local tenpinner has beaten Haynes in two out of three match games and at present maintains a higher average than Haynes. Vying for the world title and \$2500, plus a contract with a bowling equipment manufacturing concern, will be some of the most famous bowlers in the nation including the present world titlist, Andy Varipappa. Also in the tournament will be Ned Day, Buddy Bomar and last year's runner-up, Joe Willman.

STRIPERS RUN

Striped bass have been running up Elkhorn Slough, Monterey County, during the past week, reports indicated.

Streaks Upset Dons, 18-14

Continuing their winning ways the Streaks defeated the Dons, 18-14 Monday afternoon on the Fern Avenue playground. It was a ding-dong battle featured by many long runs and completed passes.

The Dons scored first on a 50-yard pass from Camou to Grajda—the Streaks came right back and countered on a pass from Murphy to Miller. When Miller fumbled the ball little Buzz Zamora grabbed it and scampered across for the tally. The play was good for about 40 yards.

The Streaks zoomed across again on a short pass, Murphy to Larson; then the Dons caught fire and marched down the field. Charlie Camou made one run good for 35 yards before being tagged by Jim Murphy, but the Dons were not to be denied and they finally scored again on a pass, Valencia to Molinar. The Dons led at this time 14 to 12. Johnny Deere of the Streaks threw a desperation pass way down the field and Larry Ray made the most spectacular catch of the day and the Streaks were out in front to stay.

STRIPERS TAKEN

A fair number of striped bass have been taken recently near the mouth of the Mokelumne River, Sacramento County.
