Book on Model Car Designing Now Available

The 1949 model car competition of the Fisher Body Craftsman's Guild is offering \$85,000 in cash awards and university scholarships to boys throughout the nation who can design the best model automobiles. It was announced by T. P. Archer, guild president.

A new booklet on model car design and construction, the only textbook of its kind for youths wishing to learn about automobile design, will be sent to each boy enrolling in the guild. It was prepared by professional designers from the General Motors Styling

ABANDON LINE

The City Council has officially abandoned the old 12-inch cement concrete disposal line in Lot R-2 of the Torrance Tract. It has not been used for years and City Engineer Geo. Stevens said it was not usable as a drainage line.

The new design manual shows how to sketch a model car, including some of the practical limitations that face the professionals. It also illustrates, step by step, how to build the model either by casting it in plaster of Paris or by carving it from a wood block.

Koch Family Reunion Set for Uruguay

Beginning a long awaited trip, Mr. and Mrs. J. G. Koch of Torrance and Mr. and Mrs. Joseph Koch of Hollywood will leave Sunday for a four month vacation in South America. They go from Los Angeles to New York on the Los Angeles Limited to board the Moore-McCormick Line S. S. Argentine sailing on Dec. 17 for Montevideo, Uruguay.

At Montevideo they will visit three sisters and one brother of the Messrs. Koch together with some 25 nieces and nephews. It will be the first reunion of the elder Kochs since they separated 36 years ago at the old home at Arad, formerly located in Hungary and now a part of Romania.

J. G. Koch is proprietor of the Star Furniture Company here.

Discuss Yule Party Plans

Next meeting of the Walteria Business Men's Club will be held Dec. 16 at the Fish Shanty, when plans will be made for the Community Christmas party, according to Loring L. Bigelow, publicity chairman.

Plans discussed at the last meeting were to hold it in the recreation building at the park during Christmas week, and Sergeant Conger was delegated to make arrangements.

California motor vehicle registrations have exceeded 4,000,000 for the first time, A. H. Henderson, Director of Motor Vehicles, announced yesterday.
