

Wins Award of \$30,000

Because he lost five toes on his right foot in an automobile accident a salesman today is invested with a judgment of \$30,000.

He is George Felleh, 40, and was injured Oct. 9, 1941, at Pacific Coast Highway and Vermont avenue.

Felleh's car was struck by a dump truck operated by Kenneth F. Seaman, employed by

the firm of Bell and Woodbridge who also are named defendants. Judge Benjamin Schinman presided at the trial last week.

EXECUTIVE HERE
Charles W. Laschenski, executive of the American Radiator and Standard Sanitary Corporation's European division, was a visitor at the company's Torrance pottery works this week.

to Be Heard

Gyorgy Sandor, concert pianist who will play at the Torrance High School auditorium on Wednesday, Feb. 16, has made three outstanding Columbia recordings of interest to all music lovers.

One is a complete album "Piano Music by Liszt" and the others are Rachmaninoff's Second Piano Concerto, with the New York Philharmonic.

Three Pastors at Meeting

Three Torrance ministers—the Rev. Ronald J. Mennuir, the Rev. Clyde E. Ruckman and the Rev. Harold R. Morey, were among the 400 pastors attending the first Ministers' Convocation, held at the University of Southern California campus Jan. 26 to 28.

The SC School of Religion and the Southern California Council of Protestant Churches will sponsor the convocation again next year and plans to make it an annual meeting. Twenty-five denominations were represented at the sessions just concluded.

New Restyled Pontiac Line on Exhibition

The completely restyled new Pontiac for 1944 now is on public display in the South Bay area by Hadenfeldt Pontiac at 605 Pacific Coast Highway, Hermosa Beach.

Both the Streamliner and the Chieftain series have been restyled, with all models available in either the six or the eight-cylinder engine, and with GM Hydramatic transmission optional.

Full 120-inch wheelbase on both the Streamliner and Chieftain series brings out the low, wide, full-length appearance. The Streamliner embodies the tear-drop sloping back, with sweep, long streamlined fenders, and the Chieftain carries out the continental trunk type rear deck, made popular by Cadillac.

'Y' Program on Television Friday Night

Harold F. Whittle, president of the YMCA of Los Angeles, and Harold A. Wagner, general manager of the YMCA, will speak. The show is under the direction of Arnold Maguire, television director of Foote, Cone and Belding. He will be assisted by S. S. Spencer, Jr. and Ernest Belt.

Joneses Back

People in England and Wales appear to have enough food and adequate clothing, according to the observations of Mr. and Mrs. Chris Jones, who returned Tuesday to their home, 2118 Martina avenue from a six-month trip.
