**TELLS ABOUT LUCKY BREAK**—Dean Schneider, 20507 Elliott street, Torrance, won a candlelight clock for telling about "his luckiest break." He bought a lot, so the story goes, and accidentally moved his house onto another lot—the wrong lot. After finding that the second lot was cheaper, he bought it without the owner's finding out that his (Schneider's) house was already there, thinking to dispose of the first lot and make a little profit. But before that happened, oil was discovered on both lots and he sold the whole works at a nice price. He told about it on the GE House Party program.

**Youths Awaiting Hearing for Cafe Burglary Charge**

Three high school students who are said to have confessed to burglarizing the Deep Sand Cafe, 23219 Narbonne avenue on three occasions are in juvenile hall awaiting hearing, according to the Torrance Police Department.

Arrested last week by Detectives Ernie Ashton and Percy Bennett who followed footprints leading from the cafe to the home of one of the boys, the youths later confessed obtaining approximately \$50 from the cafe. They denied having any knowledge of a series of other burglaries which have plagued local officers during the past few weeks.

A fourth youth implicated in the crime by the threesome is still at large, the officers reported.
