At the monthly meeting of Torrance High School PTA held in the music room Tuesday afternoon, Mr. Jack Rouman, child psychologist, as a featured speaker discussed mental health, augmenting his talk with an instructive motion picture. Selections by the capella choir under the direction of Mr. George Zavislan were thoroughly enjoyed.

Philharmonic Concert Set

Los Angeles Philharmonic Orchestra will play its final San Pedro Concert of the fourth season this evening at 8:30 in San Pedro High School Auditorium. Alfred Wallenstein conducting.

Featured composition on a program of unusually interesting balance is the celebrated fifth symphony in C Minor by Ludwig Van Beethoven. By many, this work is considered the greatest symphony ever written.

During the last World War the symphony came into new prominence when it was called the Victory Symphony. This designation was made because the opening four notes are the code sign for V which the Allies in the War used for Victory.
