

... Fire Station

(Continued from Page 1)

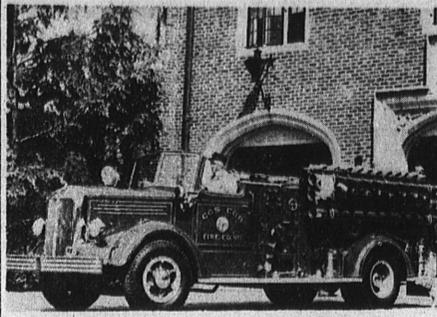

station and served the area as fireman, policeman, and pound-master.

The station is presently staffed by Acting Captain N. T. Whitney; Engineer, Ivan Kettering; Engineer Milt Langum; and Fireman Gordon Johnsrud. Assigned temporarily to the south Torrance station is Fireman Leonard Christian.

When the new truck is put into service one of the trucks presently located at Waleria will be shifted to North Torrance until the purchase of a second new truck next year, Chief McMaster said.

DISAPPOINTED

When planting bulbs, drive a tin can with both ends removed down around them. Gophers, moles and mice meet a solid wall of tin instead of the juicy bulb.

LITTLE RED WAGON . . . Photo shows type of new 750 gallon pumper which is due to arrive for service at Waleria next month.

Airport Lounge Bids Accepted

Bids for the construction of an office, lounge, and restrooms at the Torrance Municipal Airport are being received this week according to Collins and Dietrich, newly assigned managers of the flight strip.

The new structure, 45 feet by 12½ feet, will be located near the main taxiway in conformity with the master plan of the airport.

Construction of a cafe on the airport is due to start soon after water lines are brought into the airport, claimed George Stevens, city manager.

CITY MANAGER

A total of 893 cities and counties in the United States have adopted the council-manager form of government.

Local Orchestra In First Public Performance

The Torrance Concert Orchestra will present its first public performance May 26 at a program to be staged in the high school auditorium, announced F. A. Applegate, principal of the evening high school.

The program also will include selections by the Mothersingers Chorus, under the direction of Tony Vazzano, a craft and art display, and an exhibition of square dancing by Clarke Kugler's evening school class.

The orchestra, which is under the direction of Abe Milstein, was organized in September of last year as a class of the evening school, it now has a membership of more than 25 persons.

DeMolays Set Installation Ceremonies

Installation ceremonies for the Torrance chapter of the Order of DeMolay will be conducted Tuesday evening May 24, at the Masonic Temple, announced Frank Schmidt, "Dad" advisor for the Torrance chapter.

The impressive ceremonies are slated to begin at 8 p.m. with U. S. Wallich, deputy active member of the Southern Jurisdiction delivering the address of welcome.

The mothers' flower ceremony will be conducted by Tom Mulligan of the Southwest chapter. Schmidt extended an invitation to the public to attend the affair.

Riviera Pet Show Set by Youth Group

The Junior Youth Group of Hollywood Riviera which includes boys and girls between the ages of 12 and 14 will hold a pet show at the Hollywood Riviera Park on Saturday, May 14 from 2 to 4 p.m. Anyone may enter pets of any kind and all are urged to bring their pets in early so proper classification may be arranged.

Admission to the show is 15 cents. Each person is responsible for his own entry. Prizes will be awarded and all proceeds will go to further the activities of the group.

HIGH CEILING

High ceilings make a small room look smaller.

Authorities Seek Bidders for Post Office in Keystone

Bids for the operation of a contract post office station in the Keystone area will be received at the Torrance Post Office until May 25 at 2 p.m., according to a statement yesterday by acting postmaster Louis H. Deinger.

Applicants seeking the two-year contract must provide a \$2000 bond, adequate protection, space for the sub-station, and must meet the approval of postal inspectors.

It is the intention of the postal authorities that the new station in the Keystone area be located in the approximate vicinity of Carson street and Avalon boulevard, Deinger said.
