

Seaside . . . . . Ranchos

Mrs. Lola Suter

Hallelujah! The ground-breaking ceremony for the new Seaside Ranchos School took place Monday afternoon with J. H. Hull, Superintendent of the Torrance Unified School District, officiating. Dr. C. C. Carpenter, county assistant superintendent of schools, and Dr. Howard A. Wood, president of the school board, turned the first shovelful. School board members present included: Mrs. Evelyn Carr, Mrs. Grace Wright, George Thatcher, Carl Steele, and Emmett Ingram. Girl Scout Troop 1055 took part in the impressive ceremony. Residents of Seaside Ranchos were out to watch the doings. School board members and officials rejoined after the ceremony at the home of Mrs. Dorsey Gruver for coffee and refreshments.

The Square Dance at Atterbury's Barn recently can certainly be pronounced a SUCCESS—in great-big-capital-letters. It was a BIG crowd that had a BIG time. There were scads of new faces with new

names to match as well as lots of our old friends there. Dollar Whistles were a dime a dozen, and the paddle dance was out of this world. A few of those present . . . Mr. and Mrs. John Keyes, Mrs. Margaret Flahive, Mr. and Mrs. Robert Cotton, Walter and Lola Harris, Bill and Faye Scanlon, Dr. and Mrs. William Murphy, the Clinton Starks, Dick and Diana Lawrence, the Edmund Spies, the Pierce Venables, Ed and Mary Seymour, Mr. and Mrs. Edward Fay, the Dan Besmers, and Robert and Dorothy Slater. Congratulations to Dr. Harvey Cole who won the door prize—a portable radio.

Many thanks to Dorothy and Byron Johnson for their expert broom pushing and to all those who donated cakes and sandwiches as well as to those who helped serve. Sharon Barth and Philip Gaul deserve more than a pat on the back for their KP duty. Orchids to Frankie (Mrs. Paul Barth, our Jack-of-all-trades, who did such a wonderful job of organizing. And we certainly do

appreciate the outstanding support given us by the people of Hollywood Riviera who were out in full force.

Mrs. Leonard Doyle was the first of the diminishing bridge parties last week, proceeds to go to our fast increasing fund for street lights. Those present included Mrs. Jack Pomeroy, Mrs. William Schmitz Mrs. Paul Barth, Mrs. William Haegle, Mrs. Willard Wanke, Mrs. Don Hall, Mrs. Mary Conover, Mrs. Paul Roettger, Mrs. Dorothy Jones, Mrs. Ben Wechsler, and Mrs. Carl Larkins.

Sharon Barth accompanied Chuck and Bette Shott to the Ice Capades Sunday afternoon to help celebrate Bette's birthday.

Mr. and Mrs. William Canty of Reese Road entertained over the week-end for Mr. and Mrs. Charles Sutton and their two children, Robert and Roberta, of National City, and Mr. and Mrs. George Sutton of New Jersey. Mrs. Charles Sutton and Mrs. Canty are sisters. Saturday night they all gather at the NCO Club at Fort MacArthur. Las Vecinas regular monthly

meeting is scheduled for today at 2 p.m. at the Hollywood Riviera Beach Club. Hostesses for the day will be Mrs. Warren Boggs and Mrs. Raymond Borman. Mrs. George Bottomley and Mrs. Frank Bowman will preside at the tea table. Paul Handel of California Hand Prints will be the guest speaker.

Rumor has it that the Harvey Spelmans sat in the press row Saturday night at the Redondo Union High School Fiesta Days program. They dropped in later at our Pay-As-You-Go bingo party to donate "painlessly," as Harvey calls it.

Others enjoying bingo Saturday night included the Tom McNarys, Mrs. Margaret Flahive, Mr. and Mrs. James Regan, Mrs. F. W. Schooley, Mrs. Isabelle Gaul, the Roger Farnhams, Mrs. Louis Gandy, Mrs. Thelma Shockey, the Pierce Venables, Mrs. Edmund Spies, the Tony Schroders, Mrs. R. M. Hyder, Mrs. Lillian Hammer, the Joe Merolas, and Mr. and Mrs. C. A. Mewborn.

Oceans of thanks to Harry Greenwood who made such a super right-hand man, and to the callers, Byron Johnson and George Honzik.

And here it is—donations to

the light fund so far are somewhere around \$350! So let's continue the good work.

Saturday night Ev and Betty Rowan attended the Beverly Hills High School play, "Hollywood Legend," in which Betty's niece took part.

The Las Vecinas treasury was expanded Tuesday night as a result of the buffet supper and bridge given by Mrs. Ed Jeffrey. Guests included Mrs. Don Hall, Mrs. Paul Barth, Peg (Mrs. J. V.) Powell, Mrs. Jack Pomeroy, Pauline (Mrs. Leonard) Doyle, Mrs. Mary Conover, Betty (Mrs. Everett) Rowan, Mrs. William Schmitz, Dorothy (Mrs. Leonard) Johnson, Mrs. Paul Roettger, and Mary Lou (Mrs. Russell) Hopkins.

Summer may come and summer may go but the bingo parties go on forever. . . . Another one is planned for Saturday night with the Leonard Doyles and the William Haegles doing a double at the job of host and hostess.

Frank and Ruth Hanover have invited 16 in for their bunko party which also takes place

RHEUMATIC FEVER IS SERIOUS MENACE TO CHILDREN'S HEALTH

The number of deaths from rheumatic fever, a disease which frequently affects the heart, has dropped considerably in the last few decades. Yet rheumatic fever still kills more school-age children than any other disease, and many children who survive its attacks are left with permanently damaged hearts.

Rheumatic fever most frequently strikes children between the ages of six and 12, although it may occur at any age. It is a painful disease, usually accompanied by fever and aches and swellings of joints and muscles. It is serious because, even when it does not cause death, a single attack may leave a child's heart in a scarred and weakened condition. Rheumatic fever has a tendency to recur, too, and of course, the more attacks a child

suffers, the greater possibility of damage to his heart. Early symptoms of rheumatic fever include pains in the arms and legs (too often casually dismissed as "growing pains"), slight fever, loss of appetite and loss of weight or failure to gain weight, and the twitching and jerking of a child's face, arms or legs usually called St. Vitus' Dance.

When any of the symptoms which might mean rheumatic fever appear, it is wise to call a doctor immediately. If the child has rheumatic fever, the danger of permanent damage to his heart may be lessened by prompt medical care. It is still difficult to diagnose rheumatic fever in its early stages, but today there are a number of aids to help the doctor detect the disease even in an early stage. Once the disease has been diagnosed, the doctor can take measures which may prevent permanent damage to the heart. When the doctor discovers that a child has rheumatic fever, he will prescribe, among other things, complete rest for the patient, especially during the acute

stage of illness and sometimes for weeks, and even months, afterwards. Close medical supervision and nursing care are necessary to prevent any unnecessary strain on the child's heart.

The after-care of the child who has had rheumatic fever is important, and the instructions of the doctor must be followed carefully. Such a child must have sufficient rest, and well-balanced meals. Precaution should be taken to protect him against all illnesses, especially those of the nose and throat, and he should have periodic medical examinations. However, a child who has recovered from rheumatic fever need not be treated as an invalid all his life. With proper guidance, he should eventually be able to return to school and engage in many of the normal activities of children his age.
