LAS VECINAS

Business matters took precedence over social affairs last week when Las Vecinas held its regular monthly meeting at the Hollywood Riviera Beach Club.

The business meeting was conducted by Mrs. Richard Blakeley, club president. Announcement of new chairmanships was made as follows: Mrs. Richard Ott, Scouts; Mrs. William Whyte, car pool; and Mrs. Donald Hall, courtsey.

The board of directors made recommendations for amendments to the rules and regulations. It was voted upon and passed that the board may present five honorary memberships per year. A motion for a recess of the regular meetings to occur during July and August met with the approval of the members.

Discussion was held on the advisability of Las Vecinas entering into the Federated Women's Club. A motion was made by Mrs. Craig Grover to table voting until the reopening of the club in September.

Faul Handel of the California Hand Prints was the guest speaker. He told of the origin of the art of printing and of the importance of color. Of the three types of printing, screen, roller, and hand blocked, the screen printing process is the one employed by California Hand Prints. Mr. Handel gave a short demonstration of this process and showed many beautiful examples of screen printed fabrics.

Hostess for the tea which followed the meeting were Mrs. Warren Boges and Mrs. Glen Gregg. Mrs. Frank Bowman and Mrs. Grier presided at the tea table.

A luncheon meeting will be held on June 23 at the Hollywood Riviera Beach Club. The club pool will be available for swimming and card games will follow the business meeting.
