Seaside PTA Activities

Seaside PTA have been active these past weeks preparing for a busy year ahead. Moving into a entirely new plant before the contractors have moved out poses many problems for school personnel, children and parents with which the PTA hopes to be helpful, as well as establishing itself as a brand new baby in the Torrance Council.

A number of board members are availing themselves of the training course being provided for them in the History, Organization and Leadership of the Parent Teacher Association. Among the able Discussion Leaders sent to the Walteria Recreation Center to help them are Mrs. C. H. Fromme, chairman of First District PTA, Mrs. Walter E. Smith, motion picture chairman First District, Mrs. C. H. Turner, past president California Congress of Parent Teacher Associations, Mrs. Neal Stevenson, elementary extension chairman for First District.

The board met Thursday at the home of the president of the Seaside PTA, Mrs. Paul Roettger, to discuss the budget for the coming year, and the ways and means of providing for it.

On Tuesday, August 16, the program committee, consisting of Mrs. Raymond Hole, chairman; Mrs. Morrison Hornbeck, parent education, Mrs. Paul Roettger, Mrs. G. H. Miller and Mr. E. W. Eckert, principal of Seaside School, met at the Hole home for luncheon and a lengthy discussion of program plans for the coming year.

Family Party Is Enjoyable

Mr. and Mrs. Erwin Whitcomb, of 816 Beech avenue and Mr. and Mrs. G. H. Hayden, 1313 Fern avenue, entertained in Torrance City Park Sunday.

The ladies served a delicious chicken dinner to their weekend house guests, Mrs. Rose Smith of Alexandria, La., Mr. and Mrs. Calvin Martin and children of Burney, Calif.; Mr. and Mrs. Jack Rosenberg, of Newport Beach; Mrs. Mattie Kirkham, and Miss Daisy Gammill.

Toloha Club Holds Meet

Mrs. Ruth Butch opened her home in Lomita Friday evening for a meeting of Toloha Club with Mrs. Mabel Slovar, president, conducting the meeting.

Highlights of Mrs. Polly Myer's vacation trip to Chicago, New York, Pittsburgh, and Connecticut cities provided an enjoyable interlude.

Games followed and refreshments were served.

Salt Lake City Vacationists

Guests in the home of Mr. and Mrs. W. C. Christensen, 1620 265th street, Harbor City, this past week were Mr. and Mrs. Soren J. Jespersen (Mr. Christensen's mother).

The Jespersens live in Salt Lake City and leaving here will visit San Francisco before returning home. One of the pleasant experiences enjoyed by the vacationists while here was a trip to Catalina Island.

TO RATIFY CHAIRMEN

Officers and chairmen of Lomita San Pedro Council will hold their August meeting at Rock Park at 10 o'clock this morning.

New chairmen appointed since June will be ratified and plans for the school will be completed.

Enjoying golfing and swimming at Ojai Valley Inn recently were Mr. and Mrs. Homer B. Morgan and their son, William Morgan.

Presidents of Bandini, Barton Hill, Cabrillo, Channel Heights, 15th Street, Halldale, Harbor City, Lomita Elementary, Norment, Orange Street, Seventh Street, Point Firmin, Western Terrace, and Leland Street PTA's are to be present.

ENJOYABLE VACATION Home from a vacation trip to Griffin, Georgia, where they visited their son and daughter-in-law, Mr. and Mrs. Richard Thompson and three sons, are Mr. and Mrs. Frank Thompson of 823 Cota avenue, and his sister Mrs. Isaac Humphries of Glendale, Warm Springs, Ga., and New Orleans, La., also were on their itinerary.

1. It doesn't just happen there's a public telephone not far away when you look for it. Locations have been carefully selected to make sure service is where it's needed most... in theatres, filling stations, drug stores, terminals. And special installations are often made to meet the needs of crowds—at conventions, fairs and the like. Today there are some 85,000 public telephones at work in the West.

2. More errands run, more jobs done, more time saved for you... telephone service has many duties. And public telephones make service still more valuable by putting all telephones, both residence and business, within convenient reach... no matter where you may be. More and more are going in, too... as we keep pushing our job of furnishing good, well-rounded telephone service to the West.

3. Good service for you comes from the big job of handling millions of calls every day. But the extras mean a lot, too—like putting telephone booths in handy places. They add up to keep your service one of today's best buys.
