Methodists Map Educational Program Sunday

The First Methodist Church's educational board and church school workers will hold a dinner conference Sunday afternoon to lay plans for a 1949-50 church educational program, announced the Rev. Clarence Miller, pastor.

The pot-luck dinner and business meeting will be held at 12:30 p.m. in the church social hall. Following a two-week vacation, Rev. Miller will return to the pulpit this Sunday with a sermon entitled "In His Will Our Peace." Also returning from a vacation will be Vernon Robinson, minister of music.

Delegate Returns

Ralph R. Prime, of 1828 Cabrillo avenue, will return home this week from the sixth annual meeting of the International Christian Fellowship Commission at Champaign, Ill., according to an announcement made by the commission.

The commission, which ended its convention last Friday, is the planning body for the youth groups of the Disciples of Christ in the United States and Canada. The meeting was attended by approximately 125 adult and youth delegates.

ton, president, and Jean Bender, vice-president, of the church's youth group. The pair will report on summer sessions which they attended at Camp Radford in the San Bernardino mountains.

The regular youth fellowship meeting usually held Sunday evenings has been cancelled in order that members may attend a city-wide youth rally.

and team co-captain Boyd Crawford, star quarterback will give the audience a preview of this season's outlook for the local gridgers.

Marienthal, presently a football scout for UCLA, has been a well known grid figure since his days at L.A. High School. Twice named guard on both the All-City and All-Southern California teams, he may be remembered for his performance for UCLA in the 1942 Rose Bowl classic.

In the Marine Corps for three years, he participated in many engagements in the Pacific theater of operations until he lost his leg in the battle of Okinawa. However, with the aid of an artificial leg, he returned to UCLA where he served as a line coach from 1946 until 1948 when he became a scout.

Following Marienthal's address members of the audience will participate in general discussion with the scout, Cole, and members of the Tartar grid squad.

One of the highlights of the rally will be a community singing period, stated the Rev. Cecil England of the First Christian Church, who has directed the arrangements for the rally. Refreshments will be served by the First Methodist Church Youth Fellowship, acting as hosts.

The rally is the first of three sponsored by the Youth Committee of the Torrance Council of Churches. Committee members who have worked under the Rev.

Sunday Text Theme Chosen By Scientists

"Substance" will be the Sunday Lesson-Sermon subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from I Corinthians: "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him, But God

hath revealed them unto us by his Spirit." In John's Gospel Jesus says, "If a man love me, he will keep my words; and my Father will love him, and we will come unto him, and make our abode with him. . . . The Comforter, . . . whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you. . . . Let not your heart be troubled, neither let it be afraid. . . . These things have I spoken

unto you, that my joy might remain in you, and that your joy might be full." Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "If the disciple is advancing spiritually, he is striving to enter in. He constantly turns away from material sense, and looks towards the imperishable things of Spirit. If honest, he will be in earnest from the start, and gain a little each day in the right direction, till at last he finishes his course with joy."

Reflections

By J. Hugh Sherfey, Jr.
"PLEASE PASS THE JAM."

The day is hot but the fruit is ripe. It will not wait for a more opportune time; it must be processed now. Mother does it.

How many men would work in an office that is as hot as mother's kitchen? None of us would. She works there regardless of temperature, and does it willingly, gladly, without a word of complaint. She cans and preserves fruit when it is at the peak of perfection, knowing that when winter comes and the days are cold and rough her labors will be appreciated. Consequently, she rolls up her sleeves and goes to work.

Family contentment is her ambition, her reward. Her dining table is the canvas upon which she lays her works of art. And like the artist with a brush, each meal is a masterpiece. Her remuneration is not a clinking coin but the obvious enjoyment of her work when her family says, "Please pass the jam. It's delicious."

Honor engenders abiding friendships; It is the foundation of our business.
