

'48 El Camino Grid Schedule Is Announced

El Camino has today released its football schedule for 1948. Two teams, previously not having appeared on the Warrior schedule have been added. October 15 has been set as the date the El Camino team will meet Modesto. November 12 sees El Camino meeting Riverside J.C. in Riverside.

The present schedule gives the Warriors a game with a western league team, Ventura, one with the representative of the Eastern Conference, Riverside, and a Northern Conference representative, Modesto.

According to H. J. Sheffield, director of student personnel, it is the intention of El Camino College to play a number of games in the Redondo and Inglewood areas. Home games are shown as occurring either on a Friday or a Saturday. It will be possible to establish a definite home schedule only when the high school teams who have priority on their home stadiums have made known their 1948 schedules. This 1948 schedule will afford the Warriors with three overnight trips.

It looks like the Outcasts still are the bosses in the Columbia Steel League on Monday night. They are four games out in front of the Slickers.

These Columbia boys are really getting hep on big games. C. Richardson was the bright spot of the evening with his 242-606. Then along came R. Wilson with 215-559, R. Watson 224-557, H. Blanchard 212-543, D. Ossa 209-536 and P. Antae 204-537.

Rogers Liquor held on to their lead in the Tuesday 800 Scratch. They have a six game lead over Pioneer Cafe.

Well, here we go again. Ady's Texaco and Comet Paint are all tied up again in the race for top spot in the Tuesday Industrial League. Doc's Fountain is only two games out. It probably won't be long till they board this merry-go-round with the other two.

The Buckeroos widened their lead in the 6:45 Mixed to 10 games. Star Furniture is the nearest contender. Looks like this Buck and Sommers combination is hard to beat.

Victory Trailer moved two games out in front of Richfield Service in the 8:45 mixed or Wednesday. Walt's Cafe and V & H Garage are sharing the number three spot.

After taking a four game cut in their lead within two weeks, the Selma Cleaner boys rallied this week and held on to their five game span in the Thursday 876 Scratch.

Dal Wasden was the "Big Wheel" of the evening with his ups and downs of 185-254-184 for a beautiful 632 series.

Howard's Realty have the lead in the Women's 560 Scratch raked up for a while but the Gay Shop moved into a tie with Devore Electric for second place.

May I be so bold as to say that last week, I achieved a long dreamed of goal. Thanks to Short, we won the Mixed Doubles Tournament sponsored by the 875 Traveling League.

FOUL WEATHER AT CATALINA DELAYS CUBS' TRAINING

Because only five days practice could be held at Catalina Island before the Chicago Cubs baseball team's first exhibition game March 6, the National League club will do its spring training at Wrigley field, it was announced. Baseball Commissioner A. B. Chandler has banned spring training before March 1. Damp and chilly weather on Catalina last spring had added to the danger of sore arms and legs.

Other major league clubs to train in Southern California include the Pittsburgh Pirates at Gilmore Field, Chicago White Sox at Brookside Park, Pasadena, and St. Louis Browns at San Bernardino.
