AZALEAS AND CAMELIAS
go together like ham and eggs! Both like a cool, moist, shady location and an acidic soil. Lots of neat moss and oak leaf mold is also necessary. Planting the taller growing camellias toward the back of the area, and lower growing azaleas, at the front, will produce an interesting and colorful planting. We offer a wide selection of azaleas from 40c and camellias from \$1.25, many of the plants being in bloom.
