CAFETERIA FACILITIES OF SCHOOLS DISCUSSED

By J. HENRICH HULL, Superintendent of Schools. Numerous citizens have let the board members know that they are not in sympathy with schools without adequate cafeteria facilities. The history of school buildings is that once a school is built without adequate cafeteria facilities, it seldom gets them later. For the foregoing reasons, the Torrance Board of Education has included cafeterias in its plans for every school. The building needs are so large that raising the current operating tax levy as we did

TO OUR CUSTOMERS:
(Regarding A&P's Meat Dept.)

We regret that again today we cannot advertise meat products because an unwarranted and unnecessary strike of the A. P. of L. Meat Cutters union has closed our Meat Departments. The strike was called because the A&P could not break the law by signing a "closed shop" contract, demanded by the Union. A&P is prohibited by law from signing such a contract because it is engaged in interstate commerce. The case now is in the hands of the National Labor Relations Board. Meanwhile, our hands are tied. However, we hope soon to offer you the complete service in our stores to which you are entitled.
