Flight Strip Residents Attend YWCA Classes

YWCA classes are being held at the Lomita Flight Strip in cooperation with the Torrance Department of Adult Education each Wednesday evening from 7 to 9.

On Wednesday Mrs. Alpha Stump, the instructor in adult education, advised the women about color for clothes. With many pieces of materials to illustrate a wide variety of color and pattern, the group studied what colors best suited their type and personality. At the next meeting the girls will make plastic pins to wear for Easter.

After the class session, Mrs. Paul Foley, president, announced the sale of garden seeds and outlined the club's plans for the future. There is to be a food bazaar on March 27 and egg hunt for the children at Easter time. Mrs. Foley accepted the gift of 200 geraniums from Mrs. Joseph Bader of Lomita, these plants to be distributed among the club members.

The men and women are working on a recreation program for their community. In the immediate future they want to provide transportation for the children to and from Lomita Park. This last week a large area was leveled at the Flight Strip and work was begun on the center of the community.

Refreshments were served to Mesdames Levi A. Stump, Tom Jones, Jerry Bohannon, A. B. Trefethen, Joe Bader, Doyle S. Coppinger, Jerry Ward, John Herwer, George Marlin, Dick Jearls, Hubert Laswell, W. C. Campbell, Hal D. Burrows, Cecil R. Bohner, to the Mesdames Edna Pettibone, Peggy Pettibone, Helen Lockwood, and to Mesdames Tom Jones, Doyle S. Coppinger, John Herwer.

FUCHSIA SOCIETY AT INSTRUCTIVE RECENT MEETING

At the recent meeting of the South Bay branch of the National Fuchsia Society of America, Mrs. M. M. Cornbleth, president and president T. W. Brown, of Brown Nursery, Lomita, who gave a short talk on staking plants.

Guest speaker, James Fairclough, of Gardena, fuchsia propagator and hybridizer, presented an instructive discourse on fuchsias from the cutting period to floral display.

Among the guests were Mrs. Florence Geo, Hollywood expert flower show judge, Mrs. Laird Johnstone, Klamath Falls, and Mrs. Gwen Trefethern, Lomita.

New members Mesdames Marian Thomas, K. L. Ward and S. E. Corning and the "birthdays" Mesdames Grace Olsson, Gwen Trefethern and L. K. Lindefelder received gifts. Plans solo by Mrs. C. F. Lenhart added to the enjoyment of the meeting.

The customary plant sale preceded the serving of refreshments.

Two events have been scheduled for this week by members of two Guilds of St. Margaret Mary's parish.

St. Teresa's Guild will sponsor a rummage sale to be held at 137 S. Pacific avenue, San Pedro, March 19 and 20 with Mrs. Charles Farrar, Prefect, in charge. The members of this guild are urging the support of everyone interested in the welfare of their program.

A card party with St. Jude's Guild in charge will be held March 20 at VFW hall with Mrs. Mary Flynn, Prefect, as chairman. This benefit party has been moved up from the previously announced date of March 27, which falls on Holy Saturday.

Delicious refreshments and prizes in the card games will be offered those who plan to attend the Saturday night party.

Garden Club Plans For Flower Show Are Progressing

The home of Mrs. Edna Peterson, 519 Beech avenue, was the setting for the semi-monthly meeting of the Torrance Terrace Garden Club Wednesday afternoon. Mrs. Estelle Ewalt, president, who conducted the meeting, expressed a regret that membership in the club is now closed but that a waiting list is being maintained.

Mrs. Mary Fritz, featured speaker, discussed in a most interesting manner the propagation and culture of pansies. Of interest to the club was her suggestion of placing pansy seeds between damp blotter's in the refrigerator until they have reached the sprouting stage.

Plans are progressing satisfactorily for the second annual flower show, set for May 1 and 2, in Torrance High School gymnasium, it was reported. Club members and other garden lovers are urged to start now with plans for interesting and attractive entries for the show.
