PEDESTRIAN HIT BY CAR RECEIVES MINOR INJURIES
 Receiving minor injuries when he was struck by a car reported by police to have been driven by Mike John Bobinsky, 18, of 1514 W. 218th street, a 64-year-old pedestrian, James C. Morris, 921 Sartori avenue, was treated at the Harbor General hospital on April 2. Official records showed.

WEIGHT PERFORMANCE
 One of the factors in car performance on a long motor trip often ignored in spite of its importance is that the average automobile carries a greater burden than it normally is called upon to bear. Forgetting this fact, many are inclined to think the performance is off sufficiently to warrant minor adjustments that still further affect the car's output of power, speed and comfort. The weight carried makes a big difference.

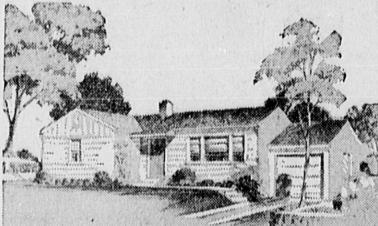

PIANO TUNING CONTRACT IS GIVEN HANSEN
 The Board of Education has entered into a contract with J. W. Hansen to tune the pianos for the School District at a rate of \$4.00 per instrument, the contract to become effective from April 1, 1948 through March 31, 1949.

THEFT CHARGE AGAINST MAN RESULTS IN ARREST
 Wanted by the Burbank Police Department on a charge of stealing an automobile, James Samuel Briener, 28, of 1620 220th street, was arrested by the Torrance Police Department April 4 and subsequently turned over to the Burbank authorities, a police report showed.

CLEAN WINDSHIELDS
 Motorists should keep their windshields and rear-view mirrors clean. Seeing clearly is a large part of driving safely.

DON'T BE A MANIAC
 Speed can be a mania. Don't be a maniac, warns the Department of Motor Vehicles.
