H. A. Vernet to Command Special Group

Herbert A. Vernet, 1547 W. 204th street, Torrance, today relegated his Marine Corps Reserve uniform to moth balls in favor of the Army's olive drab.

Vernet, who holds the rank of lieutenant colonel, accepted an appointment as commanding officer of special troops in Southern California's 40th Infantry Division, and will participate in the National Guard outfit's two-week summer training encampment at San Luis Obispo, Aug. 1-15.

Originally Vernet was commissioned a second lieutenant in infantry in the Officers Reserve Corps following his graduation from the University of California in 1934. He accepted a commission in the Marine Corps Reserve in 1937 in San Francisco.

The officer, who in civil life is merchandising manager for Gantner of California, local sportswear manufacturing concern, was called to active duty in 1940 at the Marine Base in San Diego.

He was shipped overseas shortly after outbreak of the war and commanded Marines on the island of Maui, later being appointed operations officer of the Marine Training and Replacement Command at Camp Pendleton. He was graduated from the Marine Corps Command and Staff School at Quantico.

On being sent overseas again, Vernet commanded the Transient Center of the Fleet Marine Force, Pacific, and went to China as civil affairs officer for the 3rd Amphibious Corps at Tientsin.

Colonel Vernet holds a Navy Commendation, American Defense, American Theatre, Asiatic Pacific, China Service, Victory, and Marine Corps Reserve medals.

The United States Armed Forces Institute has brought 500,000 high school diplomas to service men on active duty during the war and since V-J day.

Teen-Age Girls Escape Serious Crash Injuries

Three teen-age girls from Torrance miraculously escaped serious injury Sunday when a speeding motorist hit their car broadside and rolled it over twice. Nancy Ann Whyte, 17, daughter of Mr. and Mrs. Grover C. Whyte, 1620 Post avenue, was the driver of the demolished car. With her were Patricia Mullin, 17, daughter of Mr. and Mrs. W. T. Mullin, 1346 Engracia avenue, and Janet Arthur, 14, daughter of Mr. and Mrs. F. B. Arthur of San Jose, and a cousin of Miss Whyte.

Miss Whyte sustained a deep cut in her forehead and Miss Mullin a possible concussion. All three girls were badly shaken and bruised. They were taken by ambulance to the Hollywood Receiving Hospital for treatment. Police listed the Whyte sedan a "total wreck."

The speeding car was driven by Frank J. Money, 2137 No. Screenland drive, Burbank, who was uninjured, although the front end of his heavier car was badly damaged.

Los Angeles Police Officers B. M. Meneghel and J. J. Maloney, who were called to the accident, reported that Money's car "laid down 55 feet of skid marks leading to the point of impact and pushed the Whyte Chevrolet seven feet after the point of impact."

Investigating officers requested filing of complaints against Money for violation of the speed limit and right of way. They reported no violation against Miss Whyte. Eight photographs were taken of the accident, according to the police report.

Miss Whyte states that she was traveling east on W. 4th st., at the intersection of Lucerne ave., in low gear after making a precautionary stop, when Money's car was sighted about a half block away traveling at fast speed north on Lucerne. The intersection, which is in the Wilshire residential area, is not a boulevard stop on either street. The three Torrance girls were returning from Hollywood Blvd. where they had attended the Sunday afternoon concert.

Mergredy In Infantry Unit

He was discharged in 1945 as a sergeant, and was given the same grade upon his re-enlistment. According to recruiter, M/Sgt. James Callison, Mergredy will go direct to Fort Ord for assignment and duty.

WINNING DOLLS — Kathy and Adele Curtis—yes, they're sisters — are pictured with some of the 90 story book dolls which won them first prize at the city doll show last Friday.

Tax Committee Studies Budgets

All local budgets will be given a screening by the Industries Tax Committee, according to Robert I. Plomert, chairman. So far the committee has given its principal attention to the new city budget.

The local school district budget is now being studied, and El Camino college budget also will come in for scrutiny. Other budgets on the list include the county, the flood control district and the Metropolitan Water District.

Henry Creeger, plant manager of American-Standard Company here, is vice-president of the committee and A. E. Wirt of National Supply Company is secretary.

Five Artists On Programs

Continuing to present special musical programs during the summer months, the Telephone Hour will feature five stellar concert artists during August. It was announced today by A. B. Smith, manager of the Pacific Telephone and Telegraph Company. The broadcast is heard each Monday evening at 9 o'clock over NBC station.

The August guest soloists will be Gladys Swarthout, Claudio Arrau, Ezio Pinza, Blanche Thebom and Jascha Heifetz. The 57-piece Bell Telephone Orchestra, conducted by Donald Voorhees, will accompany the artists as well as provide special musical selections.

Clarification Of Job Asked

Clarification of the duties of the city treasurer, Margaret Fordice, is to be the subject of an informal meeting of city councilmen today, following her request to the city council Tuesday night.

The matter was referred to the committee of the whole on motion of Councilman Bob Haggard.

The recently issued Army school catalog lists 198 courses available to enlisted men on active duty in the Regular Army.

Polio Nowhere Near Epidemic; Hope for Peak

While there have been new cases of suspected poliomyelitis reported this week in the Torrance area, the situation is far from epidemic proportions either here or in Los Angeles county generally, it was learned Wednesday afternoon.

Locally, health officials and doctors hope the peak has been reached. The situation is nowhere near the number of cases reported in 1946, it was also learned.

On page 8 of today's Herald will be found a statement from the Poliomyelitis Coordinating Council.
