

Let Contract on Bus Depot

Mrs. Maybel Banks was awarded the contract for operating the Hill Street depot for Torrance Municipal bus lines, by action of the City Council this week. Her bid was the most favorable of three received by the city recently.

Robert Jones Now Taking AAF Training

Robert William Jones, AAF, has been transferred from San Antonio, Tex., where he completed his basic training, to Sheppard Field Air Force base, Wichita Falls, Tex., for advanced training.

Jones, a Torrance High School graduate with the class of June '48, would like to hear from his friends here. His address is: Pvt. Robert W. Jones, AF 1933591, 37th 62nd Training Sq., Flight 53, 37th 60th Training Gp., Sheppard Field Air Force Base, Wichita Falls, Texas.

JOINS CHAMBER

L. G. Barkdull, who operates the Quality Meat Market at 2171 Torrance boulevard, added his name to the membership roll of the Torrance Chamber of Commerce this week.

20-30 Club Members Sail the Hard Way

It's something different. Any good 20-30 Clubber can go to the national convention at Catalina this week by steamer—and lots of them are—but the live-wire members of the Torrance club have thought up a different way.

Our boys are going by canoe, no less, from Portuguese Bend, leaving at 7 o'clock this (Thursday) morning. Bert Smith and Charles Schultz, who have given considerable thought to the idea, tried out the canoe last week off the coast, and consulted the Coast Guard about the drift between the mainland and the island. They expect to make it in three hours.

Eleven members of the Torrance Club talked the idea over with the Ontario club on their visit there last week, and the Ontario boys will be there cheering for them when they arrive—either with or without the boat! Attending the meeting were Schultz, Smith, Joe Useldinger, Harvey, Abramson, Howard Foster, Bob Elipper, President Dick Brown, Van Barnard, Bud Fellers, John Agapito, Don Robinson and Geo. Flowers.

Enrollment Figures Set

(Continued from Page 1-A)

chial School which has enrolled 139 pupils who were attending city schools last year. The Nativity school enrolled 363 students during the early part of the week.

Torrance Elementary and Perry Elementary schools showed gains of 127 and 36 students respectively.

The Junior High School jumped from 350 a year ago to 465 as of Wednesday noon—a gain of 85.

School officials stated the large jump in enrollment at Walteria was due to the opening of new home tracts in Hollywood Riviera and Seaside Ranch.

Following are enrollment figures by schools as of Wednesday noon, with comparative figures for the third day of school last year:

School	This Year	Last Year
High School	629	673
Junior High	465	380
Fern Avenue	438	479
Perry School	260	224
Torrance Elem.	730	603
Walteria	415	161
Totals	2937	2520

CAN PRICES LAG

In announcing plans for an annual canned goods event in its stores, the Great Atlantic & Pacific Tea Company today pointed out that U. S. Department of Labor statistics covering 56 cities in the United States reveal that canned foods have increased in cost above pre-war prices only about half as much as the cost for all foods.

SPARK PLUGS

Misfiring of an automobile engine due to fouled spark plugs is often caused by use of poor lubricating oil in the crankcase.

Weatherman Writes '92', Warmest Day

The Weather Man was hunched over his huge desk scribbling in a book nearly the size of the top. The gold-embossed cover read "Record Book." Peeking over his shoulder we watched him inscribe, "Sept. 11, 1948. Temperature, 92 degrees. Hottest day of the year to date."

Closing the book and laying aside his feather quill pen, he handed us a sheet of paper which read:

Sept.	Maximum	Minimum
9	71	55
10	77	56
11	92	58
12	85	62
13	79	69
14	80	55

State Reports 907 Oil Wells for Deepening

Oil field operations reported up to the end of August show 907 deepening or redrilling jobs, as compared with only 655 last year, according to the State Division of Oil and Gas.

In the August list for deepening was the Charles T. Rippey and Earl Robinet well in Section 23 of the Torrance field.

The state report also listed a total of 1873 new oil wells this year, as compared with only 1341 at the same date a year ago.

Operations reported during the week ending Aug. 28 showed 50 notices to drill new wells filed, as compared with 78 during the previous week.

Abandonment that week numbered 23, as compared with 19 during the previous week. Total to date this year, 520; total to same date last year, 453.
