WELCOME

To _____

CHANNEY'S

Torrance is very proud of your new store. It sets the pace for things to come . . . it is a big step forward in establishing Torrance as the logical trading center for this entire area.

We already know you by reputation . . . thus we know that not only will you give Torrance a fine department store . . . but that you will join us in our civic and social life . . . that we may march forward together in building an even greater city than our founding fathers dreamed.

Yes . . . Torrance is very proud of your new store! Welcome and congratulations!
