**TORRANCE HERALD RESOLUTION NO. 1948**  
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TORRANCE, CALIFORNIA, DECLARING ITS INTENTION TO DISPOSE OF AND CONVEY A PARCEL OF LAND DESCRIBED AS THE NORTHERLY TWELVE FEET OF LOT 15, TRACT 424, RECORDED IN MAP BOOK 15, PAGE 13, RECORDS OF LOS ANGELES COUNTY, CALIFORNIA; FIXING A TIME AND PLACE WHEN THE CITY COUNCIL WILL MEET TO TAKE FINAL ACTION THEREON AND PROVIDING FOR THE PUBLICATION OF THIS RESOLUTION.

The City Council of the City of Torrance does hereby resolve as follows: THAT the local government officials in every city in the State of California have reason to be greatly concerned because of the increasing valuation of exempt properties aggregating hundreds of millions of dollars which are lost to the cities as a result of the State's exemption laws. State Proposition No. 13 does not in any way change the Veteran's Exemption or Welfare Exemption. It simply compels the State to reimburse the local governments for the cost of these exemptions. In 1940 the assessed value of these exempt properties was approximately \$100,000,000. By 1947 the figure jumped to \$300,000,000. In the single year between 1947 and 1948, these exemptions increased 44%. Local property tax payers and local governments cannot remain solvent in the face of a consistent narrowing of the tax base because of exemptions and rapidly rising tax rates on remaining property. Proposition No. 13 would remove the cost of these benefits from the property tax to the State source of revenue, which all the people pay. At present, the entire cost is paid by 40% of the tax payers, for only 4% of the people pay property taxes. Proposition No. 13 will return between 16 and 20 million dollars to local governments the first year. About 20% of this amount would go to the cities, 40% to the counties, and 40% to the cities. Because of special districts. Notwithstanding the fact that the cities get the smallest share, we have an equal financial difficulty if property taxes get too high, whether those taxes are levied by the city, the county, or the school district.

The City Council of the City of Torrance urges its citizens to vote for Proposition No. 13 and help our local government maintain stability in the property tax that will immediately follow the adoption of Proposition No. 13. Adopted this 26th day of October, 1948.

**TORRANCE HERALD RESOLUTION NO. 1937**  
RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TORRANCE, CALIFORNIA, DECLARING ITS INTENTION TO DISPOSE OF AND CONVEY A PARCEL OF LAND DESCRIBED AS THE NORTHERLY TWELVE FEET OF LOT 15, TRACT 424, RECORDED IN MAP BOOK 15, PAGE 13, RECORDS OF LOS ANGELES COUNTY, CALIFORNIA; FIXING A TIME AND PLACE WHEN THE CITY COUNCIL WILL MEET TO TAKE FINAL ACTION THEREON AND PROVIDING FOR THE PUBLICATION OF THIS RESOLUTION.

The City Council of the City of Torrance does hereby resolve as follows: WHEREAS it appears to the City Council of the City of Torrance that public interest and convenience requires that the northerly 12 feet of Lot 15, Tract 424 as per map recorded in Map Book 15, page 13, records of Los Angeles County, State of California, be disposed of and conveyed, and the City of Torrance has declared its intention to dispose of and convey the said described premises;

NOW THEREFORE, BE IT RESOLVED THAT Tuesday, November 9, 1948, at 8:00 o'clock, P.M. of said day, in the Council Chambers of the City Hall of the City of Torrance, California, there shall be held a public hearing and the City Council will meet to take final action on the proposed sale of the parcel of land hereinbefore described to be disposed of and conveyed. That at any time prior to final action of the Council thereon, any person interested in such sale may have jurisdiction to order said portion of land hereinafter described to be disposed of and conveyed. That the time stated in this Resolution is the time the City Council will meet, hear and pass on any objections which may be made to the disposal and conveyance of said property; and, in the event all objections made and urged are overruled, the City Council shall be deemed to have jurisdiction to order said portion of land hereinafter described to be disposed of and conveyed. That at any time prior to final action of the Council thereon, any person interested in such sale may have jurisdiction to order said portion of land hereinafter described to be disposed of and conveyed. In the event the Council overrules such protests and objections by a 4/5 vote of the members thereof, the Council shall proceed with such sale. Adopted this 26th day of October, 1948.

### Inglewood and Samohi in First Place Deadlock

Inglewood and Santa Monica continued on their winning ways during the week end and wound up to a tie for Bay League honors with three wins each.

Redondo met up with Mr. Sears and Mr. Goodwin (the same pair that gave Torrance so much trouble the week before) of Inglewood who romped to two and one touchdowns respectively to whip Redondo, 20-13. Falcone of Redondo, scored both of the Seahawk tallies before 10,000 fans.

Lyle Goodwin stole the show (again) by romping 75 yards to a TD after receiving a Redondo punt.

The story of the Santa Monica win over Torrance is carried elsewhere on these sport pages. Long Beach Jordan moved in to the win column for the first time in three starts by trouncing El Segundo, 20-0. Coach Ernie Radford used mostly reserves to defeat the cellar-dwelling El Segundo squad before 5000 fans gathered at Jordan's new field.

Van Hoser lead the show for the Panthers by scoring two touchdowns, passing to Coleman for another and scoring both conversions.

The Panthers garnered 12 first downs while El Segundo coked out only two.

Beverly Hills moved into third place in the Bay League standings by virtue of their conquest over Leuzinger, 32-7. Quarterback Tom O'Leary tossed two touchdowns passes and Sub-Halfback Bill Inglis ran two more for B. H. Right Halfback Schmidt made the lone Leuzinger tally in the fourth period.

### Vico, Tiger's First Baseman, in Local Game

George Vico, local ball player who was voted "Detroit Tiger of the Year," will see action Saturday afternoon at the Recreation Park diamond in Long Beach in a game which will pit the Long Beach Rockets against a team of Major League All-Stars.

Gene Beardin, rookie hero of the Cleveland Indian's World Series victory over the Boston Braves will pitch for the Rockets. The Rockets added local fans to their following recently when they walked away with the Torrance Semi-Pro Tournament last August.

Beardin, who hurled one series victory and saved Bob Lemon's "elchier," will be opposed by his teammate, Lemon. The ex-Wilson High flash will toe the rubber with a classy big league line-up behind him, including Roy Parlee, St. Louis Browns, catcher; George Vico, Detroit Tigers, first base; Bob Sturgeon, Braves, second; Eddie Bockman, Pittsburgh Pirates, shortstop; Don Lang, St. Louis Cardinals, third base, and Al Zarilla, St. Louis Browns; Cliff Mapes, New York Yankees, and Nippy Jones Cardinals, outfielders.

This is the line-up assembled by manager Billy Feistner for the big game. Complete Rocket personnel will be announced later.

## Tractors don't get Aching Backs!

... today's Farmers are Men of Steel!

Today millions of American farmers depend upon steel tractors. Tractors that make the plowing easier and the crops larger. Tractors that help produce more food to build a healthier nation, more food for hungry people abroad.

new tractors for our farmers. And this year the mills are turning out more steel than in 1947.

In supplying steel for better farming, the steel companies make possible:

**For You**—abundant food for the family table.

**For Steel Workers**—many thousands of jobs at good wages.

**For Everybody**—health and continuing progress.

IN THE NEWS... Finished steel production in the first half of 1948 amounted to 442 pounds for every person in the country, twice the rate for 1939. Exports amounted to 34 pounds per person in the first half of 1948.

IN THE NEWS... Although steel production last year set new peacetime peaks, mill accidents were fewer and less severe than ever before. Only two out of 40 leading industries had fewer accidents than steel per million man-hours worked.
