Lions Ready Yule Party

(Continued from Page 1-A)

Police departments are cooperating. This will be the third year that the Lions Club has sponsored the big Children's Christmas party for Torrance, in cooperation with the Fire and Police departments. Paul Diamond is in charge of fund-raising committee; Captain Winters, civic cooperation; Al Ewalt, accounting; Milton Isbell, program. Others on the committee for the Christmas party are Capt. Ernest Ashton, Tex. Lubson, George Colburn and J. G. Caldwell.

Estelle Ewalt, president of the Lions Club and members of her organization are assisting with fund-raising and are selling the program of Christmas carols in behalf of this effort. "Last year the Lions, with the fine help of the Fire and Police departments and the Moose Lodge, entertained more than 2000 children at the Civic Auditorium," Hickey said. "Due to the growth of Torrance in the past year, we will prepare for 2500 at the big Christmas party."

Hickey announced that any surplus funds from the party will be used to purchase a third incubator for Torrance Memorial Hospital. The Lions already have made a down payment on the third incubator. Previously they had purchased one incubator and aided in getting the second one. Other gifts, recently made locally, were purchase of a scale and height measure for Nativity School and purchase of the big base drum for Torrance High School band.
