TORRANCE HERALD NOTICE TO BIDDERS

Notice is given that the Torrance City Council will receive sealed bids up to 8:00 p.m. on December 14, 1948, for the management of the Torrance Municipal Airport, for a period of five (5) years commencing at the time of the execution of the proposed agreement. Provision is made that the parties to the agreement may agree upon an option extending the time of the agreement for an additional five (5) years. The successful bidder shall furnish a surety bond in the amount indicated in the agreement. All bids must be accompanied by cash, certified or cashier's check or bidder's bond made payable to the City of Torrance in the amount of One Thousand Dollars (\$1,000.00), as a guarantee that the bidder will enter into the proposed agreement if it is awarded to him. In accepting bids, the City Council will consider not only the price bid, but the ability, experience and equipment of the bidder and the probability of continuing service. All bids shall be accompanied by references, financial statements and statements of the experience and qualifications of the bidder. Bid forms may be obtained from the office of the City Engineer, in the office of the City Clerk of said city. This notice is given pursuant to an order of the City Council of said city. The City Council reserves the right to reject any and all bids. Dated at Torrance, California, this 12th day of November, 1948. A. H. BARTLEY, City Clerk City of Torrance, November 18 and 25.

Governor to Advise Club on Activities

The Rotary Club of Torrance this evening will welcome Victor M. Ekdahl, governor of the 107th District of Rotary International, which includes 64 Rotary clubs in Southern California and Southern Nevada.

Ekdahl will visit the local club to advise and assist President John W. Berman, Secretary Robert A. Hoag and other officers of the club on matters pertaining to the club administration and Rotary service activities. He is one of the 180 district governors of Rotary International who are supervising the activities of some 6500 Rotary clubs which have a membership of 315,000 business and professional executives.

During the last fiscal year, 278 new Rotary clubs were organized in 34 countries of North, South and Central America, Europe, Asia, Africa and the islands of the Pacific.

Following the dinner meeting, Governor Ekdahl will meet with club officers and committee chairmen at the home of President John W. Berman on El Prado for further discussion of club activities.

Red Feather Drive Shows \$4560 Total

Torrance Community Chest volunteer hit the 25 percent mark in their campaign this week with a "shoestring strip" battalion leading the field, according to B. T. Whitney chairman.

Standing for the city . . . \$4560 raised so far . . . goal \$18,430. Whitney said that Mrs. Glenn H. Bell of 1125 West 221st street has rung up a record for the harbor area when her battalion brought 120 per cent of its quota, in the "strip" area.

"We have made a start in our Community Chest campaign," Whitney said, "but there is a

School Staff Gives \$582

Employees of the Torrance Unified School District contributed a total of \$582 to the Red Feather drive this year, school officials said yesterday. This averages up to more than \$1 each from the district's 130 employees, teachers, administrative staff, clerical, transportation and maintenance sections.

great deal of work in the next several weeks, if we are to raise our share of the funds which are needed for the 159 Red Feather agencies."

He drew attention to the fact that the Chest operates its campaign at a minimum expense—less than 7 per cent of the total amount raised. "The alternative to the united Chest campaign is independent appeals by all the agencies with consequent duplication of expenses and drain upon volunteer manpower."

Block captains who helped Mrs. Bell put her battalion over the top are:

Lillian Ertl, 2210 South Denker avenue; Mrs. Edith Davies, 1637 West 236th street; Mrs. Margaret Paulin, 22206 South Denker; Bernice Harling, 1348 West 21st street; Katherine Palumbo, 23111 Halldale avenue; Mrs. Emaline Powell, 1508 West 237th street; Mrs. Josephine Uribe, 1345 West 222nd street; Mrs. Margaret Dobbins, 1331 West 21st street; Mrs. J. H. Fanning, 22124 Denker; Doris Woolfer, 19255 Crenshaw boulevards; Mrs. Virgil Nielsen, 22130 Denker; Mrs. Nerle Cleary, 22016 Halldale; and Mrs. Gracye Hunt, 1458 West 230th street.

A good attendance of local workers was reported at the campaign rally in Wilmington last week. Members of the Torrance Torrance Garden Club which forms one battalion of the campaign under Mrs. Minot Rugg, major, were in charge of decorations for the meeting. Wilmington Hall, where the workers made their reports, were decorated with flowers furnished by the club.

Willis H. Merrill, general chairman for this district said that a final report rally is scheduled for tomorrow (Friday) in Wilmington.

Nativity School and Convent's Dedication Set

Plans were being completed this week for the solemn dedication of the new Nativity School and Sisters Convent in Torrance, when Archbishop J. Francis A. McIntyre, D.D., of the Catholic Archdiocese of Los Angeles, will make his first public official visit to this city, according to Father P. J. McGuinness.

The Choir of Nativity School, under the direction of Sister M. Imelda, M. M., will sing the Mass at 8:30 o'clock on the morning of the dedication, in Nativity church. The choir is made up of 63 pupils. At the High Mass the choir will sing six numbers, opening with Gounod's "March" in C, as the processional, followed by two hymns, Credo III, the offertory and the recessional "Praise Be To Thee," by Sister M. Rafael, from Psalms 97 and 96.

Dedication ceremonial music includes Stader's processional, "Ecce Sacerdos," three other numbers and the recessional.

COLORED GASOLINE

The Bureau of Weights and Measures, California Department of Agriculture, is preparing warrants for the arrest of a number of gasoline wholesalers and service station operators who sold or offered for sale "regular" or "house brand" gasoline as "premium" gasoline.
