Fern Avenue School Holds 'Open House'

In conjunction with American Education Week, Fern Avenue School held open house last Friday evening from 7 to 8 o'clock. All the rooms were open to parents for visitation and the students' work was displayed. At 8 o'clock a P.T.A. meeting was called to order in the auditorium.

Bettie Thomas and her Accordionettes entertained the large audience with many instrumental numbers and her dancers presented several delightful costume numbers. The troupe consisted of Gail and Robin Thomas, Sharon Neely, Betty Ann Kastrup, Yolanda Francis Goodsmith, Marsha Maddock, Helen Botten, Tommy Marshall, Dolores Bell, Hallie Hutton, Mavis and Shirley Maddock, Marqueta Davies, Freddie Diesel, Joan Blackmon and Jerry Nickols. Albert E. Posner, principal, introduced Walter Rehwait, director of instruction of Torrance City Schools, who acted as moderator for the panel discussion, "Teaching Subjects of Teaching Children," in which three Fern Avenue teachers, Lloyd Jones, Maxine Hyle, and Verda Knoll, participated. Representing the parents was Mrs. Philip E. Humphreys. Main points brought out were that the object of school is to teach the child to live with people, to develop physical and mental health and skills. Every child is individual and should be so treated.

Coffee and doughnuts later were served in the kindergarten room by Mesdames J. W. Tidland, W. C. Higden, R. E. Lee, G. M. By P. Boss, J. S. Moore, John H. Steinbaugh, F. G. Hilton and Mr. William Lewis.

Enjoyable Week-end

Miss Nancy Whyte, a student at Mills College, Oakland, entertained as her week-end guest Miss Barbara Lisman of 1503 Post avenue, a student at El Camino Junior College. The girls attended the Stanford-Washington football classic at nearby Palo Alto and afterward dined at Omar Khayyam's restaurant in San Francisco.

Mr. and Mrs. William Hotham of Pontiac, Mich., who accompanied the Heaton on their west-bound motor trip.
