CELEBRITY SERIES OF CIVIC MUSIC ASS'N. GETS UNDER WAY 7th

The annual membership campaign of the South Bay Civic Music Association Celebrity Series will get under way Monday evening, November 7, when the executive committee, directors and workers gather at the Redondo Union High School auditorium and an ever-increasing audience has been proof of the cultural worth of such a series.

This season three of the four concerts have been arranged for Saturday nights to eliminate interference with other gatherings and business engagements.

For sheer delight of color, vivacity and rhythm, the first program will present Mariemma and her ensemble of Spanish dancers, Saturday, February 4. Due to the great demand for good piano, the executive committee has presented solo pianists, duo-pianists, and now plans to present an ensemble of four pianos. It is said they have cre-

ated a definite sensation wherever they have appeared. Saturday, February 25th is the date. Heeding an ever-increasing demand for a male singer, the committee proudly presents Giuseppe Di Stefano, on Thursday, March 9.

For those who enjoy ensemble music, the committee has secured the Posella Chamber Symphony

eighteen players, all of whom are outstanding artists. Another musical treat for Saturday, April 15.

Reciprocal privileges have been arranged with neighboring cities and the names and dates of the program will be furnished with membership cards. Tickets remain \$6 including tax.
