

LAS VECINAS TO VOTE TODAY ON FEDERATION

Las Vecinas, meeting today at 2 p.m. at the Riviera Beach Club, will vote on the question of becoming a member of the Federated Women's Clubs. Another item of importance on the agenda is the presentation of the slate of officers for next year by the nominating committee. Mrs. Alan MacLaren, chairman of the nominating committee, announces that additional nominations will be taken from the floor at this meeting. The members of her committee are Meses. John Treacy, Derby Rosenberger, Wallace Mueller and Sam Drumright. The election and installation of officers will take place in January.

Mrs. Gene Byrd, social chairman, reports that the Las Vecinas' Christmas Ball will be held on Saturday, December 10, at the Riviera Beach Club, and is to be a semi-formal affair. Plans for the Children's Christmas Party are being formulated by Mrs. Robert Matson, youth chairman, and will be announced in detail at the December meeting. Mrs. Lyman Keele, welfare chairman, and Mrs. A. J. Patronsky, community projects committee, asked for definite projects to be submitted by the general membership. A discussion of Club activities and future plans, led by Mrs. Richard Blakeley, president, followed the committee reports.

Auxiliary Aids Legion in Service Activities

"With the American Legion's simple statement tells the whole story of the Torrance American Legion Auxiliary. Mrs. Annie Olsen, membership chairman of Bert S. Crossland Unit of the Torrance Auxiliary, said today as the Auxiliary celebrated its centennial anniversary of 1950 members.

"The American Legion Auxiliary has only one purpose," she said, "and that is to help the American Legion in the Legion's great work for America. We are making this membership campaign so that we will have greater strength to help more effectively."

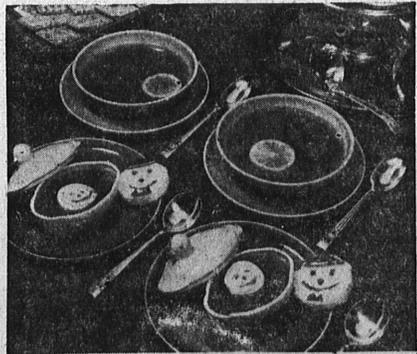

"The women of the Auxiliary work side by side with the men of the Legion, carrying out that part of Legion activities which can best be done by women," explained Mrs. Olsen. "The Auxiliary gives especially effective help in serving disabled veterans and in teaching the principles of Americanism. We work with the Legion in community projects, help them in their Post programs and share in the social activities."

"Membership in the Auxiliary thus gives us a broad field of common interest with the men of our families who belong to the American Legion. As Auxiliary members, we understand their problems and projects, and are in a position to help them achieve their purposes. We are inviting all wives, mothers, sisters and daughters of Legionnaires to come into the Auxiliary at this time and join with us as we go forward. "With the American Legion for America."

SOUP'S ON... That extra bit of garnish, whether it be a slice of lemon, hard-boiled egg, or a pinch of fine herbs, added to a bowl of soup, gives that "touch of genius" to a simple, but beloved food. "Soup's on!"—the call to eat hearty—means that small fry and adults can eat the same fare and have party trimmings. Animal shaped bowls for juvenile pleasure, the finest china in the house to please the grownups and the informal serve-yourself table setting is good summer or winter. On The Square

You've got to be on the SQUARE if you are going to build and that's true whether it is a house or a business. Folks who think their customers are customers don't last long. We know that is true and that is just one of the many reasons why our policy has always been ON THE SQUARE!

IT PAYS TO TRUST THE OTHER FELLOW

Want to make friends and influence people? The easiest way to do it is to trust them. That's the advice given by John D. Murphy in the September Journal of Living.

A big portion of the world's unhappiness is due to forcing our wills on others so that they feel compelled to do what we wish. Yet by inculcating a desire in others to please or cooperate.

The average man is much more cooperative with a person who considers him cooperative. He is a little nobler with a person who gives him credit for being noble. And he is always a little more fair and honest with a person who trusts him implicitly.

People you deal with are colored by your attitudes concerning them. If you regard a man with suspicion and distrust, you are likely to find that he behaves in a manner which justifies your attitude. It always brings out the worst in him.

Card Party

Mrs. John W. Gandsey will serve as chairman for this evening's Catholic ladies weekly card party in Nativity hall, Cota at Manuel avenue. Tallies may be procured at the door. Everyone is invited.
