STAYS SILENT... LASTS LONGER
Servel
The GAS Refrigerator

Come see the famous Servel Gas Refrigerator—only refrigerator that stays silent, lasts longer. Its freezing system has no moving parts. Just a tiny gas flame does the work. Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Servel. It stays noise-free, wear-free."

Film On Smog Available Now

The progress of smog control in Torrance and other sections of Los Angeles County is graphically told in a new technical motion picture just completed under sponsorship of the County Air Pollution Control District.

The film is 16mm, with descriptive narration, and is available, without charge, to civic groups and organizations interested in the welfare of the Southland. It was produced by Cedric P. Robb.

Organizations desirous of showing the film may telephone the Air Pollution Control office at Logan 8-3111 or write to the District at 5201 Santa Fe avenue, Los Angeles 11. The District is unable to furnish projection equipment, however.
