CITY ACTS TO UNITE 'HOUSE-DIVIDED'

Steps to eliminate a "house-divided" situation in the Hollywood Riviera section affecting 20 lots split by the Torrance-Redondo city line were taken at the last meeting of the Torrance city council.

On a motion by Councilman George Powell, the mayor appointed the planning commission as a committee to meet with a similar body from the beach city in an attempt to cure the 20-year plague which has dogged development of the area.

The matter may come to an election, it was opined. Another solution was offered, however. Those lots facing Redondo Beach would cede to that city while owners of lots facing in Torrance would fall under Torrance jurisdiction.

Complicated problems of building, and police and fire protection have hampered development

Suspects 'Dog Hater' In Operation Here

Suspicion that a "dog hater" is operating in the Kettler Knolls district was expressed to police Sunday by Howard Nelson, 1804 Marinette street. Nelson said that during the past three weeks, one dog has been fatally poisoned, another disappeared and a third was treated for poisoning. All lived on the same street, Nelson told police.
