TAPS AID POLO DRIVE ... Collect \$410 For Victims

Reflections
By J. Hugh Shertey, Jr.

An Obstacle Course

If a man strew boulders in the road in front of him, men bitterly complained of obstacles, we could think in benefit of his senses. Yet, many people generally strew their path with worry-boulders and wonder why they have no peace.

The path of life is seldom smooth, there are obstacles everywhere; we circumvent them, remove them, go over and around them, then laugh at our worry-fears. Enjoy the smoothest parts on the path of life. Don't make it an obstacle course.

If you must worry, find little ones. Big worries rarely materialize and you can easily step over, push aside or laugh at little ones.

Polio victims are \$410.85 better off as the result of collections made by members of TAPS, Torrance Auxiliary Police, along the route of march of the recent March of Dimes parade in Los Angeles. Mrs. C. Earl Conner, chairman of the Torrance drive, announced today.

Two members of the group Jackie Johnson and Duane Mitman, who poled their efforts, won honors for the largest collection—\$186.36.

A special boost for the morale of the group in their collections was the presence among the solicitors of 13-year-old Dimes vestique whose recovery from polio two years ago was aided by the March of Dimes.

Other members who aided in the collection are Ted Chlanda, Norman Chambers, Tom Webb, Joe Lafferty, Sam Held, Beverly Polts, Joel Friberg, Carl Irwin, Elizabeth Middletown Phyllis Stevens, Faye Gossett, Richard Smith, Diane Anderson, Gary Carter, Walbro Miller, John Meyers, Weldon Smith, Montie Backstrom, Michelle Silver, Wanda Hallomon, Lois Saulsbury and Leroy Moore.

The solicitors were taken to the parade by a bus contributed by the city, and escorted by Lucille Stroh, police matron, and Police Sergeant Karl Friberg.

100th Sheep Sermon Topic

The subject of the Sunday Lesson Sermon in all branches of The Mother Church, First Church of Christ, Scientist, in Boston, is "Love." The Golden Text is selected from Jeremiah: "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love; therefore with loving-kindness have I drawn thee."

Jesus' parable of the lost sheep as given in Luke will be included in the Bible Lesson: "What man of you, having an hundred sheep, if he lose one of them, doth not leave the ninety and nine in the wilderness, and go after that which is lost, until he find it? ... And when he cometh home, he calleth together his friends and neighbors."

Linesman Figures Army Stake at \$88,200

Sgt. 1st Class Vernon Saulsbury knows a good thing when he sees it. What he saw at war's end was the chance for a good job and unequalled security in the U.S. Army. That's why at age 49 Vernon can retire as a Master Sgt. with a monthly income of \$220.50 for life. For that size annuity, a civilian would have to invest \$88,200!

"I learned my trade in the Army," says Vernon, "and today I could step into a good paying civilian job. But I've thought it all over—pay, promotion, security—and the Army wins hands down. I'm staying in."

saying unto them, Rejoice with me; for I have found my sheep which was lost. I say unto you likewise joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance."
